Bootsie Barker Bites Walker

In a northern English town, Lizzie, despite her own grief over the death of her mother, tries to distract her grief-stricken father by helping him enter and prepare for the Great Human Bird Competition.

Happy Hector Simon and Schuster

“Rosenthal’s drawings feel like a contemporary take on [Virginia Lee] Burton’s spirit.” —The New York Times Book Review “Children ages 3–7 will rejoice as in Marc Rosenthal’s retro illustrations the little plow surges into action, rays of purposeful energy shooting off his red chassis.” —The Wall Street Journal “Delightful, retro artwork and clever text offer another tribute to teamwork and friendship...Three dynamic duos: Gus and Walt; Sue and Mo; Verdick and Rosenthal.” —Kirkus Reviews (starred review) Small Walt befriends a tow truck when he comes across a car in need of help in this irresistible companion to Small Walt, which Kirkus Reviews called “charming and endearing” in a starred review.

We’re Gus and Walt We plow and we salt We clear the snow so the Cars can go! A bitter blizzard. A snowbound town. When a car skids off the road, Small Walt and Gus might not have what it takes to save the day on their own. But who does? Mo the Tow to the rescue! When we need a tow, We call on Mo... We can depend On our new friend! Text filled with onomatopoeia and Walt’s affirming chants make this story about friendship and accepting help from others a real winner.

Shoe Baby Simon and Schuster

What Bertie wants more than anything in the whole wide world is a dog. A blue dog But then he meets a spotty black

and white dog looking for an owner. How can he make a spotty dog blue? By calling it 'Blue'

Hello Tilly Candlewick Press

“Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts.” Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling Hands Are Not for Hitting Board Book, Teeth Are Not for Biting gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they’re hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.

A Tramp Abroad UTS ePRESS

“It’s a perfect book for revving up small helpers to pitch in with the shoveling.”—The Wall Street Journal “Charming and endearing.” —Kirkus Reviews (starred review) “The grit of The Little Engine that Could, the nostalgic illustrations of Katy and the Big Snow, and a touch of modernity from an accomplished author and illustrator, combine to become Small Walt.”

—School Library Journal A tiny snowplow determined to prove his worth battles a blizzard in this supremely charming story in the tradition of Mike Mulligan and His Steam Shovel and The Little Engine that Could. My name is Walt, I plow and I salt. They say I’m small, but I’ll show them all. Small Walt and his driver, Gus, take

on a blizzard! All the bigger snowplows doubt that Walt has what it takes to plow the roads in the storm, but Walt is determined to prove them wrong. Brimming with onomatopoeia and Walt's affirming chants, this sweet picture book shows that when it comes to strength, size doesn't matter. Bestselling illustrator Marc Rosenthal's wintry scenes make this book the perfect cozy read-aloud.

Flyaway Katie Free Spirit Publishing
The bestselling and heart-warming picture book that shows us ways to be affectionate while social distancing, from the team behind *The Hug*. Hedgehog and Tortoise were the best of friends. They wanted to give each other a great, big hug. But they weren't allowed to touch. "Don't worry," said Owl. "There are lots of ways to show someone you love them." So the two friends wave to each other, blow kisses, sing songs, dance around and write letters. And even though they can't hug and they can't touch, they both know that they are loved. A gorgeous, uplifting, inspiring picture book that makes social distancing fun!

Let's Get Wheeling! Candlewick Press
Someone has taken Pru's handbag. The green handbag with red spots, with blusher and nail varnish inside. Where is it? And who took it? No one is prepared to own up - but it can't remain a secret for long when her friends are wearing the evidence.

The Translation Studies Reader Penguin
Katie is all alone and feeling grey. The colourful picture on her wall looks a much better place to be. If only Katie could brighten herself up, who knows what might happen. This story is an inspiring flight of fantasy about the powers of the imagination.

Good Night, Tiptoe Michael O'Mara

Tumpty the elephant tries again and again to find a good hiding place.

The Publishers Weekly Harper Collins
Hector is so happy sitting on Tilly's lap - until the others all join in and spoil it. But Tilly knows just how to show Hector how special he is to her - she has painted a picture just for him.

Our Dog Friends Penguin

Doodle the alligator awakens feeling "bitey," and soon all of the animal friends are in tears.

The Boy who Climbed Into the Moon
Faber & Faber

A definitive survey of the most important developments in translation theory and research, with an emphasis on the twentieth century. This new edition includes pre-twentieth century readings and readings from other fields.

Doctor Tilly Tilly and Friends

From alligator to zebra - with a goldfish, iguana, yak, and even a unicorn in between - there's no better way to learn the alphabet than with animals... in underwear! Todd Parr's signature kid-friendly illustrations and bold colors showcase an array of animals in all kinds of hilarious underwear styles, making learning the alphabet tons of fun.

Featuring a padded cover and gate folds on every spread, here's a playful, silly way for kids to learn their ABCs!

The Friends' Book Walker

At the urging of her family, Louise, a young alligator, tries hard to kick her biting habit.

While We Can't Hug Penguin

The Friends' Book is a fantastic way to show your best friend just how much you appreciate them. A treasury of quotes, amazing facts and heart-warming stories, *The Friends' Book* is the perfect gift for any friend.

Spot the Plot Walker

Thirteen poems pose riddles that

challenge readers to "Name That Book." With a glass slipper here and a spiderweb there, Lynn Munsinger's illustrations lead young readers to the solutions.

Hello Tilly Chronicle Books

Paul believes that the moon is not the moon, but a great hole in the sky. It's one of many strange ideas the he's never told anyone, until he meets Molly, his irrepressible neighbour, who begins to convince him that his theory might just change the world. Ages 7+.

Aunt Jo's Scrap Bag Faber & Faber

Tilly lives in a little yellow house with her best friends. In this first book of the series, meet Tiptoe and Hector, Doodle, Pru and Tumpy as they play the trumpet, bang the drum, eat a feast and dance the wiggly-woo!

Colors of a Different Horse Dell

Publishing Company

From prolific author Megan E. Bryant comes the first book in a young middle-grade series about nine-year-old Abby, a girl trying to grapple with all the chaos that can come from growing up. For nine-year-old Abby McAdams, everything seems to be changing. Her cousin and best friend, Zoe, has moved across the country, her mom is going back to work, and Abby is stuck in the only after-school activity still available--running--which she absolutely loathes. Her perspective on the world is changing, too, after an encounter in her community sheds light on the issue of homelessness in her town. On top of everything, sudden changes in Abby's body mean she has to deal with things like deodorant, bras,

and uncomfortable conversations. And without her best friend by her side, she's not sure she can handle it all. She's not a grown-up yet, but she definitely doesn't feel like a little kid anymore. She's Abby, in between. *Ready or Not!* is an accessible and positive exploration of the early stages of puberty, and is the perfect pairing to nonfiction guides like *The Care and Keeping of You: The Body Book for Younger Girls*.

Pretty Pru Walker

From the New York Times bestselling author of the *Pucked* series comes a romantic comedy about instant attraction, second chances, and not-so-little white lies. Sometimes I need an escape from the demands, the puck bunnies, and the notoriety that come with being an NHL team captain. I just want to be a normal guy for a few weeks. So when I leave Chicago for some peace and quiet, the last thing I expect is for a gorgeous woman to literally fall into my lap on a flight to Alaska. Even better, she has absolutely no idea who I am. Lainey is the perfect escape from my life. My plan for seclusion becomes a monthlong sex fest punctuated with domestic bliss. But it ends just as abruptly as it began. When I'm called away on a family emergency, I realize too late that I have no way to contact Lainey. A year later, a chance encounter throws Lainey and me together again. But I still have a lie hanging over my head, and Lainey's keeping secrets of her own. With more than lust at stake, the truth may be our game changer.
