Cheeky Monkey 1 *Never Touch* a *First Grave on the Right* is the smashing, award-winning debut novel that introduces Charley Davidson: part-time private investigator and full-time Grim Reaper. Charley sees dead people. That's right, she sees dead people. And it's her job to convince them to "go into the light." But when these very dead people have died under less than ideal circumstances (i.e., murder), sometimes

they want Charley to bring the bad guys to justice. Complicating matters are the intensely hot dreams she's been having about an Entity who has been following her all her life...and it turns out he might not be dead after all. In fact, he might be something else entirely. This is a thrilling debut novel from Darynda Jones, an exciting newcomer to the world of paranormal romantic suspense. *First Grave on the Right* is the winner of the 2012 Rita Award for Best First Book. *Academy Stars Level 1 Pupil's Book Pack* St. Martin's Griffin

Say Hello to the Baby Animals Workman Publishing Company

In this bold, anarchic story, poor Mouse is just about to tuck into a sandwich, when in swoops Seagull and gobbles it up. Mouse's crisps aren't safe either . . . what a greedy and ill-mannered bird he is! But Mouse has a fiendish trick up his sleeve, which just might cure Seagull of his thieving ways. #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New

York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor

and a mother's unconventional, unconditional love.

In this exciting sequel to *The Day My Butt Went Psycho*, a boy and his butt must protect the planet from ruthless rumps from outer space. Zack Freeman is on his way to becoming a first-rate butt-fighter. He has gone butt-to-butt with all kinds of stinky scoundrels and butts-gone-bad. But even our doody-full hero is a-gassed by these latest stench invaders. Their odor is unstoppable.

Their mission is downright foul. And they won't rest until Earth is wiped away by their nasty fumes! They're Zombie Butts from Uranus! And the galaxy is but one boy (and his butt) away from total reek-dom . . . Praise for *Zombie Butts from Uranus* "Delivers innumerable gag-worthy gags." —Publishers Weekly
Two Little Monkeys MacMillan

It was a one-in-a-million chance. A bag crammed with cash comes tumbling out of the air and lands right at Damian's feet. Suddenly the Cunningham brothers are rich. Very rich. They can buy anything they want. There's just one problem -- they have only seventeen days to spend all the money before it becomes worthless. And the crooks who stole the cash in the first place are closing in -- fast. A funny, brilliantly clever and utterly thrilling debut novel that is, quite simply, unforgettable.

The Tipping Point MacMillan

This rocket-paced follow-up to the Newbery Medal-winning novel *Dead End in Norvelt* opens deep in the shadow of the Cuban missile crisis. But instead of Russian warheads, other kinds of trouble are raining down on young Jack Gantos and his utopian town of Norvelt in western Pennsylvania. After an explosion, a new crime by an old murderer, and the sad passing of the

town's founder, twelve-year-old Jack will soon find himself launched on a mission that takes him hundreds of miles away, escorting his slightly mental elderly mentor, Miss Volker, on her relentless pursuit of the oddest of outlaws. But as their trip turns south in more ways than one, it's increasingly clear that the farther from home they travel, the more off-the-wall Jack and Miss Volker's adventure becomes, in *From Norvelt to Nowhere*, a raucous road novel about roots and revenge, a last chance at love, and the power of a remarkable friendship.
