Oak Island Knights Nimbus+ORM

In the summer of 1795, a teenager was exploring a tiny island in Nova Scotia's Mahone Bay when he came across a curious depression in the ground. Driven by visions of lost pirate treasure, he later returned to the spot with shovels, pickaxes, and two friends. The trio began to dig, and in so doing launched what would become one of the most famous treasure hunts of all time. For over 200 years, the baffling mysteries of the Oak Island treasure have captured countless imaginations they have also been the cause of bitter rivalries, dashed hopes, and tragic deaths.

The Oak Island Mystery, Solved Everest Media LLC

Civil engineers Graham Harris and Les MacPhie have spent over a decade investigating the enigma of Nova Scotia's Oak Island. In this new edition of their book, they set out the previously unknown story of how complex and expensive engineering work was undertaken to create an elaborate flood tunnel on the island.

Built to frustrate treasure seekers attempting to get at the valuables buried decades earlier at the bottom of the island's Money Pit, the tunnel has admirably served its purpose. It has ensured that all efforts up to now to recover the treasure have been unsuccessful. Oak Island poses two different challenges for treasure seekers. There is a deep mine shaft, at the bottom of which the treasure lies. The authors offer evidence that this treasure came from the wreck of a Spanish galleon in the seventeenth century. Even more mystifying than the mine shaft is the complex tunnel which links it to the ocean. Harris and MacPhie have determined that the project would have required a labour force of over 100 men to supplement a small force of experienced miners. The work would have taken almost two years to complete. In new chapters written for this edition, they present the evidence they have discovered in British military history records which shows who commanded this force, how it reached Nova Scotia, and when the work was carried out. The new facts and insights offered in this book are a startling and convincing addition to the history of Oak Island.

Oak Island: Missing Links debunks the naysayers who insist on discounting the age old legend of Scottish sailors coming to Oak Island long before Christopher Columbus discovered America, proving that it could be done, easily and often, that there were many early links of Scotsmen to Nova Scotia, and that there were many links of these same Scots families to Knights Templar and Masonic legends. It also provides logical explanations for the Mi'kmaq First Nations' traditions of a man-god named Glooscap, and his brother Malsum, and also for an Italian tradition which includes the name Zichmini, and a land called Estotiland. Rather than the centuries of doubt these four names have cast on a voyage of Sir Henry Sinclair to Nova Scotia, in 1398, these new theories actually strongly support this voyage. Author James A. McQuiston is not only a Fellow with the Society of Antiquaries of Scotland (est. 1780), but his Scottish family holds what is believed to be the premier Baronetcy of Nova Scotia dating back to 1625. These never-before explored theories shed some serious light on the subject of Oak Island, Nova Scotia.

Oak Island and its Lost Treasure Dundurn

"We make landfall on an island of oaks." So reads a 12th century Templar manuscript recovered from a medieval Italian church. Two of history's great mysteries--the fate of the Knights Templar and the truth about the Oak Island treasure--reveal themselves in this fascinating saga of hidden history. "The book we've all been waiting for!" says Rick Lagina, star of History Channel's *Curse of Oak Island*.

For a much less expensive ebook version of this book, check out: <http://www.mysteriesofcanada.com/downloads/oak-island/> Oak Island is a small island located in Mahone Bay off the coast of Nova Scotia where people have been searching for buried treasure since 1795. To date, no one truly knows what, if anything, lies buried there, although theories abound. The purpose of this book is to provide you, the reader, with a comprehensive report of the facts and speculation surrounding Oak Island so that you might come to your own conclusion regarding the nature of this great Mystery of Canada. This book is divided into three sections: 1) History; 2) The Curse of Oak Island; 3) Theories. In History, you'll find a chronological account of all major treasure hunts on Oak Island from 1795-2005. Each chapter is subdivided into a History section recounting the story of each respective treasure hunt, a Discoveries section detailing the various findings made by the treasure hunters; and a Characters section describing the colourful men who risked social condemnation, financial ruin, and even their very lives in an effort to get to the bottom of the Oak Island mystery. In *The Curse of Oak Island*, you'll find a detailed analysis of the current treasure hunt on Oak Island, conducted by Michigan brothers Rick and Marty Lagina and their crew, and documented in the History Channel's TV series *The Curse of Oak Island*. Each chapter is subdivided into a Plot section outlining the synopsis of each of *The Curse of Oak Island*'s episodes, and an Analysis section in which the discoveries made in the episodes are thoroughly investigated. In Theories, you'll find the various hypotheses formulated by Oak Island researchers regarding the nature of Oak Island's supposed extraordinary treasure. Each chapter is subdivided into the 'Five Ws' of research, namely Who? What? When? Where? and Why?, along with an Evidence section describing the hard facts and circumstantial evidence which led proponents of each respective theory to come to the conclusions they did.

From longtime Rolling Stone contributing editor and journalist

Randall Sullivan, *The Curse of Oak Island* explores the curious history of Oak Island and the generations of individuals who have tried and failed to unlock its secrets. In 1795, a teenager discovered a mysterious circular depression in the ground on Oak Island, in Nova Scotia, Canada, and ignited rumors of buried treasure. Early excavators uncovered a clay-lined shaft containing layers of soil interspersed with wooden platforms, but when they reached a depth of ninety feet, water poured into the shaft and made further digging impossible. Since then the mystery of Oak Island's "Money Pit" has enthralled generations of treasure hunters, including a Boston insurance salesman whose obsession ruined him; young Franklin Delano Roosevelt; and film star Errol Flynn. Perplexing discoveries have ignited explorers' imaginations: a flat stone inscribed in code; a flood tunnel draining from a man-made beach; a torn scrap of parchment; stone markers forming a huge cross. Swaths of the island were bulldozed looking for answers; excavation attempts have claimed two lives. Theories abound as to what's hidden on Oak Island--pirates' treasure, Marie Antoinette's lost jewels, the Holy Grail, proof that Sir Francis Bacon was the true author of Shakespeare's plays--yet to this day, the Money Pit remains an enigma. *The Curse of Oak Island* is a fascinating account of the strange, rich history of the island and the intrepid treasure hunters who have driven themselves to financial ruin, psychotic breakdowns, and even death in pursuit of answers. And as Michigan brothers Marty and Rick Lagina become the latest to attempt to solve the mystery, as documented on the History Channel's television show *The Curse of Oak Island*, Sullivan takes readers along to follow their quest firsthand.

The Oak Island Encyclopedia Atlantic Books Ltd

Daniel is a typical teenager who just wants to spend his summer vacation with his friends. Unfortunately, he must spend another summer in Canada, where his father works. Will his summer be as boring as the last, or will he manage to make the most of it in the absence of his friends? Will he find adventure and excitement in the long days ahead?

Oak Island Endgame, the fourth and most likely the final book in this series, is the culmination of several years of research into the Oak Island, Nova Scotia, treasure mystery as conducted by author James A. McQuiston, FSA Scot. McQuiston is a Fellow with the Society of Antiquaries of Scotland, and is related to the premier Knight Baronet of Nova Scotia. Because of this, he was asked by the Oak Island team to share his theories about this mystery, over a three year period, beginning in 2016. McQuiston has attended four meetings in the Oak Island "war room," made famous on *The Curse of Oak Island* TV show, and has appeared on that show a few times. He was also given special access to books, maps, and details of the current Oak Island dig, which, when blended with his own Scottish history studies, resulted in a unique theory that ranked #6 out of the 25 theories that made it to the "Top 25 Theories" episode of the show. James McQuiston was also asked to provide a quote to be displayed on the wall of the Oak Island Interpretive Center. For this honor, he chose these words: "Oak Island is not so much a mystery to be solved as it is

a chance to experience the unapologetic fascination of youth once again.

Oak Island and the Arcadian Mysteries CreateSpace

For 200 years people have sought the treasure buried on Oak Island on Canada's East Coast. Bob Restall got his chance, but it ended in tragedy. A fabulous treasure lies buried deep within an island on Canada's East Coast. Or so they say. For more than 200 years, treasure-hunters have come to Oak Island, spent fortunes, worked long and hard, and left empty-handed. When Bob Restall and his family got their chance to search for treasure on Oak Island, they believed they soon would succeed where others had failed. But the island resisted. For nearly six years the Restalls lived and laboured on Oak Island, spurred on by small successes and tantalizing clues. And then one August day, the Restall hunt for buried treasure came to a sudden and tragic end. *Oak Island Family*, written by Bob and Mildred Restall's daughter, gives a clear account of Oak Island's strange history and the Restall family's attempt to change it. Personal notes and more than 50 never-before-published photographs and sketches help make *Oak Island Family* an engrossing read. Anyone who loves mystery, adventure, and a good human interest story will enjoy this book.

The Miracle Detective Grove Press

Oak Island poses two different challenges for these treasure seekers. First, there is a deep mine shaft — the Money Pit — at the bottom of which the treasure lies. This book offers evidence that this treasure came from the wreck of a seventeenth-century Spanish galleon. Then there is the elaborate flood tunnel which links the mine shaft to the ocean. Construction on this tunnel would have been complex and expensive, requiring a labour force of over 100 men, and it would have taken almost two years to complete. Discover the previously untold story of the British military who commanded this labour force in building the underground structure. The island's Money Pit and the tunnel, combined with adverse geological conditions, have ensured that all efforts to uncover the treasure have been unsuccessful to this day. Civil engineers Graham Harris and Les MacPhie spent over a decade investigating the enigma of Nova Scotia's Oak Island. In this book, they draw on the documentary record to present a compelling and historically accurate description of two centuries of treasure hunting on Oak Island.

The Mystery of the Oak Island Treasure Nimbus Publishing Limited

As Bob and Mildred Lee, they amazed audiences with their death-defying motorcycle act. In reality they were Bob and Mildred Restall, parents of three, who balanced their glamorous show-business career with a happy, stable home life. In October 1959, the Restalls embarked on the ultimate family adventure, as Bob led his family to the east coast of Canada to dig for the famous treasure of Oak Island. For nearly six years they lived without telephone, hydro, or running water while newspapers and magazines chronicled their attempts to solve the mystery of the Money Pit. On August 17, 1965, their quest ended in tragedy when four men died. This biography, compiled by their daughter, includes material written by each family member. Lyrical descriptions of nature, amusing anecdotes, details of the dig, and numerous photographs help to tell the story. This book is a must

for Oak Island enthusiasts.

Oak Island Atlantic Monthly Press

In his sixth book on the Oak Island, Nova Scotia, mystery, James McQuiston has discovered some remarkable links of people associated with the arrival of the ship *Mayflower*, in 1620, to some of the more famous and recognizable names of those who settled or hunted for treasure on Oak Island. Nova Scotia was founded expressly to protect the Plymouth Colony and the colonies shared many of the same families, and to some degree, the same early history. The fact that *Mayflower* related families connect to Oak Island strongly supports McQuiston's theory that Sir William Alexander, a patentee of the Plymouth Colony, and the founder of Nova Scotia, had something significant to do with the beginning of the Oak Island mystery. This theory has ranked as #6 out of the top 25 with the current searcher for treasure on Oak Island. The family connections found by McQuiston are detailed and very significant in understanding this 225-year-old treasure hunt on Oak Island, as well as the history of the *Mayflower* descendants, and others who settled in the general area of Plymouth, Massachusetts.

Treasure Island James Lorimer & Company

Your unofficial guide to 'The Curse of Oak Island', Part 2. This book, complete with black-and-white illustrations, is the sequel to 'The Oak Island Encyclopedia' and a companion to Season 7 of the History Channel's TV series 'The Curse of Oak Island'. It contains plot summaries and analyses of each episode of 'The Curse of Oak Island's' Season 7, synopses of Season 7's appendant special episodes, and detailed descriptions of three intriguing new theories regarding the nature of the Oak Island treasure and the identity of its depositors.

Oak Island Endgame Simon and Schuster

As sightings of the Virgin Mary have increased around the world over the last couple of decades, the Vatican has placed increased importance on a group of theologians, scientists and physicians whose job is to investigate them. These are the miracle detectives. Randall Sullivan's book follows these investigators on the trail of the Virgin Mary from the Vatican City in Rome to Oregon, Arizona, Venezuela, Switzerland, Ireland, Japan and Kenya. What he discovers is that every road and each mystery leads back to a tiny village in Bosnia. There, against the background of the ongoing war, eight young visionaries have been receiving what they say are the final apparitions of the Madonna. These appearances, which began in 1981 in a small village in the former Yugoslavia, have been more thoroughly examined than any purported miraculous phenomenon in history. To date, the results defy explanation. This is an amazing story of religious mysticism, as well as a testing of the author's own faith and beliefs.

Oak Island Obsession Capstone

For more than two centuries, Oak Island, Nova Scotia, has been studied, searched, probed and cursed all the while failing to give up its secrets. Joy Steele's ground-breaking historical research into the island's true history is no less intriguing. In this second edition, Ms. Steele is joined by professional geologist Gordon Fader to not only solidify her theory, but to expand on it, including a thorough explanation of the area's geology.

Oak Island Jr. Treasure Hunter Nimbus Publishing (CN)

The curse of Oak Island introduces viewers to a small island off the coast of Nova Scotia where two obsessed brothers are attempting to solve a 200-year-old mystery. Rick and Marty Lagina own most of Oak Island and are determined to find the treasure alleged to be buried there despite the fact that the island is rumoured to be cursed. Legend says seven people must die before the treasure is revealed, and so far, six have lost their lives in the pursuit. Rick and Marty explore an abandoned shaft, a

cove, and even drain a swamp to find the booty, and what they find is enough to make them believe the rumors may be true. Undeterred, even after a visit from a woman who lost her father and brother in a tragic accident on Oak Island years earlier, the brothers press on and make one of the biggest discoveries ever. *Can You Uncover the Oak Island Money Pit?* Dundurn
You are intrigued by the legend of Oak Island, Nova Scotia, and determined to search out its secrets, and the reader will decide which of the many choices and clues you will follow--to become the discoverer of the truth or the seventh victim of the curse of

Oak Island.
