*The Driver's Handbook* New York Review of Books

THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLING DEBUT PSYCHOLOGICAL THRILLER YOU CAN'T MISS! The perfect marriage? Or the perfect lie? "A hair-raising debut, both unsettling and addictive...A chilling thriller that will keep you reading long into the night." —Mary Kubica, New York Times and USA Today bestselling author of *The Good Girl* "This is one readers won't be able to put down." —Booklist (starred review) "A can't-put-down psychological thriller." —Library Journal (starred review) "This debut is guaranteed to haunt you...Warning: brace yourself." —Bustle (10 New Thrillers to Read This Summer) "The sense of believably and terror that engulfs *Behind Closed Doors* doesn't waver." —The Associated Press, picked up by The Washington Post "This was one of the best and most terrifying psychological thrillers I have ever read." —San Francisco Book Review Everyone knows a couple like Jack and Grace. He has looks and wealth; she has charm and elegance. He's a dedicated attorney who has never lost a case; she is a flawless homemaker, a masterful gardener and cook, and dotes on her disabled younger sister. Though they are still newlyweds, they seem to have it all. You might not want to like them, but you do. You're hopelessly charmed by the ease and comfort of their home, by the graciousness of the dinner parties they throw. You'd like to get to know Grace better. But it's difficult, because you realize Jack and Grace are inseparable. Some might call this true love. Others might wonder why Grace never answers the phone. Or why she can never meet for coffee, even though she doesn't work. How she can cook such elaborate meals but remain so slim. Or why she never seems to take anything with her when she leaves the house, not even a pen. Or why there are such high-security metal shutters on all the downstairs windows. Some might wonder what's really going on once the dinner party is over, and the front door has closed. From bestselling author B. A. Paris comes the gripping thriller and international phenomenon *Behind Closed Doors*.

Boleslaw Prus is often compared to Chekhov, and Prus's masterpiece might be described as an intimate epic, a beautifully detailed, utterly absorbing exploration of life in late-nineteenth-century Warsaw, which is also a prophetic reckoning with some of the social forces—imperialism, nationalism, anti-Semitism among them—that would soon convulse Europe as never before. But *The Doll* is above all a brilliant novel of character, dramatizing conflicting ideas through the various convictions, ambitions, confusions, and frustrations of an extensive and varied cast. At the center of the book are three men from three different generations. Prus's fatally flawed hero is Wokulski, a successful businessman who yearns for recognition from Poland's decadent aristocracy and falls desperately in love with the highborn, glacially beautiful Izabela. Wokulski's story is intertwined with those of the incorrigibly romantic old clerk Rzecki, nostalgic for the revolutions of 1848, and of the bright young scientist Ochocki, who dreams of a future full of flying machines and other marvels, making for a book of great scope and richness that is, as Stanisław Barańczak writes in his introduction, at once "an old-fashioned yet still fascinating love story . . . , a still topical diagnosis of society's ills, and a forceful yet subtle portrayal of a tragically doomed man.

### Prawo jazdy Kategorie A A1 A2 Die Gestalten Verlag-DGV

Presents an instructional guide to SQL which uses humor and simple images to cover such topics as the structure of relational databases, simple and complex queries, creating multiple tables, and protecting important table data.

The thinking man's sports car: a symbol of the relentless desire for peak power and limitless performance. The Porsche 911 inspires a worldwide ripple effect. When Ferdinand Porsche could not find a sports car he liked, he decided to build one himself. And now, the rest is history: Jerry Seinfeld drives it; Boris Johnson admires it; Steve McQueen loves it; and Jeremy Clarkson hates it. The Porsche 911 moves the world. Despised by many in Germany as a set of wheels for fat cats, it is the favorite car of free spirits and intellectuals in the U.S. and across the globe. The Porsche 911 was not just invented by one of the most fascinating and controversial families - it is also a technical meisterwerk. Since its launch in 1963, the 911 has built a reputation for itself as "the thinking man's sports car." Both a car and a cultural icon, it has earned a fan base that spans from young to old, East to West, connoisseur to enthusiast. *Porsche 911: The Ultimate Sportscar as Cultural Icon* explains how this German car became a global phenomenon and a symbol of aspiration, freedom, and the appetite for perfection, and even more, why, around the world, the 911 continues to fascinate gentlemen, ladies, and rogue drivers. In this book, Ulf Poschardt sends Porsche drivers to the shrink and concludes that a little narcissism can be a healthy thing; he then takes them on an engaging journey through the checkered history that defines their pride and joy. Not everyone can, nor indeed should, drive a Porsche, but *Porsche 911: The Ultimate Sportscar as Cultural Icon* lays bare the raw driving force behind the 911 for anyone intrepid enough to discover.

*Head First SQL* Grupa IMAGE sp. z o.o.

This do it yourself workshop manual has been specially written for the owner who wishes to maintain

his vehicle & carry out the bulk of his own servicing & repairs. There are step by step instructions & many illustrations are given of most dismantling, overhauling & assembling operations.
