## **KIMBERLY BURNETT**

---

The Wonder Girls Resist Ashgate Publishing, Ltd.

This collection of Laurence Blum's essays examines the moral import of emotion, motivation, judgement, perception, and group identifications.

The Nowhere Girls Turtleback

The stereotype-laden message, delivered through clothes, music, books, and TV, is essentially a continuous plea for girls to put their energies into beauty products, shopping, fashion, and boys. This constant marketing, cheapening of relationships, absence of good women role models, and stereotyping and sexualization of girls is something that parents need to first understand before they can take action. Lamb and Brown teach parents how to understand these influences, give them guidance on how to talk to their daughters about these negative images, and provide the tools to help girls make positive choices about the way they are in the world. In the tradition of books like *Reviving Ophelia*, *Odd Girl Out*, *Queen Bees and Wannabees* that examine the world of girls, this book promises to not only spark debate but help parents to help their daughters.

*Girls Make Media* St. Martin's Press

Here is a new Clay Sanskrit Library publication of the middle book of Valmiki's Ramayana, the source revered throughout South Asia as the original account of the career of Rama, the ideal man and the incarnation of the great god Vishnu.

Well-Being in Adolescent Girls Harvard University Press

Antiblackness investigates the ways in which the dehumanization of Black people has been foundational to the establishment of modernity. Drawing on Black feminism, Afropessimism, and critical race theory, the book's contributors trace forms of antiblackness across time and space, from nineteenth-century slavery to the categorization of Latinx in the 2020 census, from South Africa and Palestine to the Chickasaw homelands, from the White House to convict lease camps, prisons, and schools. Among other topics, they examine the centrality of antiblackness in the introduction of Carolina rice to colonial India, the presence of Black people and Native Americans in the public discourse of precolonial Korea, and the practices of denial that obscure antiblackness in contemporary France. Throughout, the contributors demonstrate that any analysis of white supremacy---indeed, of the world---that does not contend with antiblackness is incomplete. Contributors. Mohan Ambikaipaker, Jodi A. Byrd, Iyko Day, Anthony Paul Farley, Crystal Marie Fleming, Sarah Haley, Tanya Katerí Hernández, Sarah Ihmoud, Joy James, Moon-Kie Jung, Jae Kyun Kim, Charles W. Mills, Dylan Rodríguez, Zach Sell, João H. Costa Vargas, Frank B. Wilderson III, Connie Wun

Contributed articles presented at Seminar on "Violence against Women" December 6 and 7, 2001 at Women Studies Research Centre, University of Calcutta.

*Boys, Girls and Achievement* Westminster John Knox Press

An activism handbook for teen girls ready to fight for change, social justice, and equality. Take on the world and make some serious change with this handbook to everything activism, social justice, and resistance. With in-depth guides to everything from picking a cause, planning a protest, and raising money to running dispute-free meetings, promoting awareness on social media, and being an effective ally, *Girls Resist!* will show you how to go from "mad as heck about the way the world is going" to "effective leader who gets stuff done." Veteran feminist organizer KaeLyn Rich shares tons of expertise that'll inspire you as much as it teaches you the ropes. Plus, quotes and tips from fellow teen girl activists show how they stood up for change in their communities. Grab this handbook to crush inequality, start a revolution, and resist!

*Women's Anger* Crown Books for Young Readers

No young woman could resist these questions about her personality--especially a cool, confident CosmoGIRL! Just like *All About You* and *All About Boys*, this enticingly packaged and brightly illustrated collection will be a sure-fire success. You, yes YOU, are the shining star of these 26 quizzes. After all, what subject could possibly be more important or interesting? In addition to being lots of fun, they're wonderfully insightful. Every girl wants to know the answers to these questions: Am I high maintenance? How mature am I? What's my secret strength? Am I motivated? And let's not forget--What kind of prom dress fits my personality? and What color is your aura? Who knows? The answers may surprise you.

**She Deserves Better** Quirk Books

From media images of "mean girls" to the disproportionate punishment of Black, Latina and/or queer girls in schools and the justice system, female aggression has become a public concern. Scholars, educators, policymakers and parents are scrambling to respond to the perceived upsurge in girls' bullying, peer pressure, and aggression/violence. *Girls, Aggression and Intersectionality* examines how intersecting social identities - such as race, ethnicity, class, sexuality, age, and others - shape media representations of, and criminal justice reactions to, female aggression. The book focuses on three overarching questions: How do race, class, and/or sexuality influence media images of female aggression? How do aggressive girls' intersecting identities affect law enforcement and criminal justice responses to their aggression? How are diverse groups of girls trying to resist their labelling and criminalization? Using intersectionality as a conceptual framework, this insightful volume deconstructs a unitary analysis of "female aggression" and transforms the mainstream discourse that paints girls as inherently "mean." *Girls, Aggression and Intersectionality* will appeal to undergraduate and postgraduate students, as well as postdoctoral researchers, interested in fields including Gender Studies, Women's Studies, Youth Studies, Criminology and Media and Culture.

Antiblackness Quirk Books

*Sociology and Music Education* addresses a pressing need to provide a sociological foundation for understanding music education. The music education community, academic and professional, has become increasingly aware of the need to locate the issues facing music educators within a broader

sociological context. This is required both as a means to deeper understanding of the issues themselves and as a means to raising professional consciousness of the macro issues of power and politics by which education is often constrained. The book outlines some introductory concepts in sociology and music education and then draws together seminal theoretical insights with examples from practice with innovative applications of sociological theory to the field of music education. The book concludes with an Afterword by Christopher Small.

We Resist Duke University Press

"A call-to-action to everyone out there who wants to fight back." —Bustle "Scandal, justice, romance, sex positivity, subversive anti-sexism—just try to put it down." —Kirkus Reviews (starred review) "Cuts straight to the core of rape culture—masterfully fierce, stirring, and deeply empowering." —Amber Smith, New York Times bestselling author of *The Way I Used to Be* Three misfits come together to avenge the rape of a fellow classmate and trigger a change in the misogynist culture at their high school transforming the lives of everyone around them in this searing and timely story. Who are the Nowhere Girls? They're everygirl. But they start with just three: Grace Salter is the new girl in town, whose family was run out of their former community after her southern Baptist preacher mom turned into a radical liberal after falling off a horse and bumping her head. Rosina Suarez is the queer punk girl in a conservative Mexican immigrant family, who dreams of a life playing music instead of babysitting her gaggle of cousins and waitressing at her uncle's restaurant. Erin Delillo is obsessed with two things: marine biology and *Star Trek: The Next Generation*, but they aren't enough to distract her from her suspicion that she may in fact be an android. When Grace learns that Lucy Moynihan, the former occupant of her new home, was run out of town for having accused the popular guys at school of gang rape, she's incensed that Lucy never had justice. For their own personal reasons, Rosina and Erin feel equally deeply about Lucy's tragedy, so they form an anonymous group of girls at Prescott High to resist the sexist culture at their school, which includes boycotting sex of any kind with the male students. Told in alternating perspectives, this groundbreaking novel is an indictment of rape culture and explores with bold honesty the deepest questions about teen girls and sexuality.

Girls Resist! Zine Myers Education Press

First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Girls in Trouble with the Law William Morrow Paperbacks

A consideration of menstruation in the lives of teenage girls—and in the lives of teenage boys.

The Theatre, the Drama, the Girls McGill-Queen's Press - MQUP

This book equips school psychologists and other mental health professionals with a comprehensive understanding of mental health and well-being in adolescent girls. The text places adolescent girls in a developmental and social-cultural context and outlines factors that can shape girls' well-being including family, peers, and media. Chapters discuss trajectories that might result in mental distress and dysfunction in adolescent girls and identify pathways to their optimal development. Additionally, the book reviews the domains of well-being including physical health and habits, emotional well-being, healthy relationships, and identity and agency. Each chapter includes theory-informed and empirically supported interventions to help promote girls' positive physical and socio-emotional development and culminates in a list of further recommended resources for the reader. Well-Being

in *Adolescent Girls* is a valuable resource for school psychologists, counselors, and other mental health professionals working with adolescents along with those in graduate-level courses in school psychology and school counseling programs.

Girls, Aggression, and Intersectionality Routledge

Writing journals for Girls and women who Support feminism. These notebooks are to support women and girls. 8 march women day special notebooks gift for feminists

Women Resist Globalization Routledge

Explores what it means to have "less-than-perfect pregnancies" and "genetically different babies." This book tells the personal stories of women who have resisted medical eugenics - women who were told they shouldn't have babies because of perceived disability in themselves, or shouldn't have babies because of some imperfection in the child

Packaging Girlhood Routledge

*Deep Secrets* reveals the false story we tell about boys, friendships, and human nature. Niobe Way argues that boys experience a "crisis of connection" as they approach manhood. Human needs and capacities are given a sex (female) and a sexuality (gay), and thus are discouraged for those who are neither.

Urban Girls Revisited The Cindy Press

Writing journals for Girls and women who Support feminism. These notebooks are to support women and girls. 8 march women day special notebooks gift for feminists

**Girls Resist! Exclusive Preview** Routledge

More girls are producing media today than at any other point in U.S. history, and they are creating media texts in virtually every format currently possible--magazines, films, musical recordings, and websites. *Girls Make Media* explores how young female media producers have reclaimed and reconfigured girlhood as a site for radical social, cultural, and political agency. Central to the book is an analysis of Riot Grrrl--a 1990s feminist youth movement from a fusion of punk rock and gender theory--and the girl power movement it inspired. The author also looks at the rise of girls-only media education programs, and the creation of girls' studies. This book will be essential reading for anyone seeking to understand contemporary female youth in today's media culture.

Resist Hearst Books

The 2016 US presidential election exposed rising xenophobic and nationalist sentiment within the United States and other democratic countries. As populist movements grow, democratic freedoms erode. *We Resist* demonstrates that the things we often take for granted - safety, family, employment, health, a promising future - are under attack, and we must fight to preserve these resources before it's too late. We are currently witnessing the dismantlement of social programs, growing disinterest in international cooperation, and the devaluation of evidence-based knowledge. This disturbing shift in politics is leading to increased national security measures, violations to basic human rights, and widening social and economic inequalities. The rise of far-right populism brings with it intolerance of ethnic, sexual, and all other minority groups, and a rejection of democratic society. *We Resist* gathers the compelling perspectives of scholars and activists who are deeply embedded within political and community struggles, who participate in policy decisions, and who are engaged in research that advances those struggles. An essential and timely book, *We Resist*

confronts the problems we face as a human community and impels a cross-sectoral movement to defend our rights and revitalize the common good.

Rise Up and Resist Springer

What if the goal of raising a Christian girl was about more than keeping her virginity intact? What if it was about raising a strong, independent young woman who knows who she is, uses her voice, and confidently steps into the life God has for her? From the authors of *The Great Sex Rescue* comes this evidence-based book grounded on surveys of over 28,000 women to offer moms a fresh, freeing, and biblically grounded message of sexuality and self-worth for their daughters that is less about the

don'ts and more about the dos. This isn't your average parenting book: no pat answers or overly broad principles here. No cliché prescriptives or toxic teachings that your daughter will have to unpack and recover from as an adult, like so many of us have. Instead, you'll find data-driven insights about how to raise a woman who is resilient, knows her strength, and has the discernment skills needed to make good choices. By reframing (and sometimes replacing) common evangelical messages to teen girls, this book will equip you to raise a girl who can navigate the difficult waters of growing up while still clinging tight to the God who created her on purpose, for a purpose.
