 “Delightful . . .
 [a] captivating
 and slyly
 subversive
 fictional paeon
 to the real
 women whose
 work on the
 Oxford English
 Dictionary
 went largely
 unheralded.”

—The New
 York Times
 Book Review
 “A marvelous
 fiction about
 the power of
 language to
 elevate or
 repress.”—Ger
 aldine Brooks,
 New York
 Times
 bestselling

author of
People of the
Book Esme is
born into a
world of
words.
Motherless
and
irrepressibly
curious, she
spends her
childhood in
the
Scriptorium,
an Oxford
garden shed
in which her
father and a
team of
dedicated
lexicographers
are collecting
words for the
very first
Oxford English
Dictionary.
Young Esme's
place is
beneath the
sorting table,
unseen and
unheard. One

day a slip of
paper
containing the
word
bondmaid
flutters
beneath the
table. She
rescues the
slip and,
learning that
the word
means "slave
girl," begins to
collect other
words that
have been
discarded or
neglected by
the dictionary
men. As she
grows up,
Esme realizes
that words
and meanings
relating to
women's and
common folks'
experiences
often go
unrecorded.
And so she

begins in
earnest to
search out
words for her
own
dictionary: the
Dictionary of
Lost Words. To
do so she
must leave
the sheltered
world of the
university and
venture out to
meet the
people whose
words will fill
those pages.
Set during the
height of the
women's
suffrage
movement
and with the
Great War
looming, The
Dictionary of
Lost Words
reveals a lost
narrative,
hidden
between the

lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world.

 Want to quench your

little genius's thirst for knowledge? Then keep reading... Don't you just burst with pride when your child tells you something new they learned in school? Like when they can list all 50 states or maybe say a short phrase in Spanish. Whether your child is showing promising signs of future genius, or you just want to have a quiz buddy to help you on trivia night, encouraging

your child's curiosity is always a good idea. Aside from what they learn in school, having other sources of facts and general information will help your child become more well-rounded. Also, it's the perfect time to maximize their learning when they're still building the foundation of their knowledge and absorbing information like a sponge. From simple truths to obscure facts, you can find them in this

quirky collection of questions about all sorts of topics. In Trivia for Smart Kids, you will discover: ● A refreshing way to combine learning and play time in one family-friendly game ● 9 kid-friendly categories of factoids, both silly and illuminating, that will capture your child's attention ● Curious tidbits about the wonderful world of animals that will surely have your

child reading in amazement ● Space-tastic facts that could prove useful for a future career as an astronaut ● The city on two continents, Joan of Arc's nickname, the soup that contains saliva, and other pieces of information that your child will find fascinating ● A fun multiple-choice format that will teach your child how to solve problems by elimination ● Just how much your child still remembers

from all those bedtime stories and fairy tales you've read to them And much more. Knowing information like how many years snails can sleep may seem like a useless skill, but they're an accessible gateway into discovering new interests and passions. It can be the start to a lifelong passion about science, history, food, and more. Plus, these interesting facts make for great conversation

at the dinner table. General trivia is more than just small details about arbitrary things. They're a great way to engage your child and teach them about the world. Cooper the Pooper even traveled the world looking for the most interesting trivia he could find. No other dog would go to these lengths just to bring your child fascinating facts about all sorts of subjects. So don't let

Cooper down, and let your child find out what fun facts our adventurous author has learned from his travels. If you want to expand your child's growing knowledge (and your own) with a fun and amusing game you can do with the whole family, then scroll up and click the "Add to Cart" button right now.
General Knowledge Quiz Questions & Answers DK Children

Bring peas and harmony to the family table with *Food Fights*, 2nd edition! Knowing what to feed children is one thing. Getting them to eat it is quite another! In *Food Fights*, 2nd edition, the authors tastefully blend the science of nutrition and pediatrics with the practical insights of parents who have been in your shoes—offering simple solutions for your daily nutritional challenges.

Whether you've got an infant, toddler, or young child, *Food Fights* promises entertaining, reality-based advice on: ■ How to pick your battles (and arm yourself accordingly) ■ Whining and dining, throwing food, and other dietary distractions ■ Heaping helpings, TV dinners, fast food, and other nutritional minefields ■ Eating out, grocery shopping, and travel ■ The 5-

second rule ■ Drinking and dozing, juice, soda pop, and other classic drinking problems ■ Sick kids, vitamins, body weight, allergies, constipation, spitting up...and so much more! This revised second edition also includes new chapters on healthy breakfasts, what's lacking in snacking, and supermarket sanity, and serves up important guidance on making sense of package labels and

choosing foods wisely. Add the cornucopia of resources such as recipes for success, a nutrient primer, and phone apps that help families stay on a tech-savvy track to good nutrition and this new and improved edition of Food Fights is guaranteed to leave you satisfied. [Family Flip Quiz](#) Rupa Publications Put your general knowledge to the test, and impress your family and
