child's success in school, for reading is more than just recognizing and pronouncing printed words - it involves comprehending the meaning of those words as well. Children can truly read only when they understand the meaning of the words they can pronounce. This packet provides activities designed to strengthen important comprehension skills, including sequencing. Exercises are

designed so a child can work with a minimum of supervision in a classroom or at home.

No Kimchi For Me! Peter

Pauper Press

Yoomi loves Grandma's cooking—except for stinky, spicy kimchi, the pickled cabbage condiment served at Korean meals.

"You can't eat it because you're a baby," her brothers tease. And they don't play with babies.

Determined to

prove she's not a baby, Yoomi tries to find a way to make kimchi taste better—but not even ice cream can help. Luckily, Grandma has a good idea, and soon everyone has a new food to enjoy.

Celebrating family, food, and growing up, this story about a Korean-American family will appeal to picky eaters and budding foodies alike.

Aram Kim's lively art is filled with expressive

characters and meticulous details—and of course, mouth-watering illustrations of traditional Korean dishes and ingredients. Backmatter includes information about kimchi and how it's made, and best of all, a recipe for Grandma's kimchi pancakes to try yourself! For more about Yoomi and her family, don't miss Let's Go to Taekwondo! by Aram Kim.
