Music in the Castle of Heaven NorthSouth (NY)

An oriental prince begins an affair in London with a girl of dubious reputation, to whom he gives an emblematic ruby that disappears along with the young woman. Hercule Poirot is summoned to retrieve it. Posing as a guest at the Lacey family home, the detective will share a traditional Christmas to follow the thieves' trail until he finds the valuable jewel.

Girl Online: On Tour Wm. B. Eerdmans Publishing

In this pioneering study of the development of the Asian department store, economists, anthropologists and historians examine various aspects of retailing, business organization, networking and consumerism in the expanding economies of Asia.

When Miss Norma was diagnosed with uterine cancer, she was advised to undergo surgery, radiation, and chemotherapy. But instead of confining herself to a hospital bed for what could be her last stay, Miss Norma—newly widowed after nearly seven decades of marriage—rose to her full height of five feet and told the doctor, “I’m ninety years old. I’m hitting the road.” And so Miss Norma took off on an unforgettable around-the-country journey in a thirty-six-foot motor home with her retired son Tim, his wife Ramie, and their dog Ringo. As this once timid woman says “yes” to living in the face of death, she tries regional foods for the first time, reaches for the clouds in a hot air balloon, and mounts up for a horseback ride. With each passing mile (and one educational visit to a cannabis dispensary), Miss Norma’s health improves and conversations that had once been taboo begin to unfold. Norma, Tim, and Ramie bond in ways they had never done before, and

their definitions of home, family, and friendship expand. Stop by stop, state by state, they meet countless people from all walks of life—strangers who become fast friends and welcome them with kindness and open hearts. Infused with this irrepressible nonagenarian’s wisdom, courage, and generous spirit, *Driving Miss Norma* is the charming, infectious joyous chronicle of their experiences on the road. It portrays a transformative journey of living life on your own terms that shows us it is never too late to begin an adventure, inspire hope, or become a trailblazer.

Queen Elizabeth II and the Royal Family Pluto Press (UK)

A behind-the-scenes view of the power struggles within the Vatican and “a look inside the byzantine halls of the institutional Catholic Church.”—Publishers Weekly A journalist who has long covered the Vatican, Marco Politi takes us deep inside the struggle roiling the Roman Curia and the Catholic Church worldwide, beginning with Benedict XVI, the pope who famously resigned in 2013, and intensifying with the unexpected election of Jorge Mario Bergoglio, archbishop of Buenos Aires, now known as Pope Francis. Politi’s account balances the perspectives of Pope Francis’s supporters, Benedict’s sympathizers, and those disappointed members of the laity who feel

alienated by the institution's secrecy, financial corruption, and refusal to modernize. Politi dramatically recounts the sexual scandals that have rocked the church and the accusations of money laundering and other financial misdeeds swirling around the Vatican and the Italian Catholic establishment, and how Pope Francis's attempts to address these crimes has been met with resistance from entrenched factions. He writes of the decline in church attendance and vocations to the priesthood as the church continues to prohibit divorced and remarried Catholics from receiving Communion. He visits European parishes where women perform the functions of missing male priests—and where the remaining parishioners would welcome the ordination of women, if the church would allow it. Pope Francis's emphasis on pastoral compassion for all who struggle with the burden of family life has also provoked the ire of traditionalists. He knows from experience what life is like for the poor in South America and elsewhere, and highlights the contrast between the vital, vibrant faith of these parishioners and the disillusionment of European Catholics. As Pope Francis and his supporters are locked in battle with the defenders of the traditional hard line and with ecclesiastical corruption, the future of Catholicism is at stake—and it is far from certain Francis will succeed in saving the institution from decline.

She can't help but miss her family, her best friend Elliot, and her blog, "Girl Online." Can Penny learn to balance life and love on the road, or will she lose everything in pursuit of the perfect summer?

Pope Francis Among the Wolves Hachette UK

Pope Benedict XVI, the only modern-day Pope to retire whilst in office, now finally breaks his silence. Since retiring from the papacy in 2013, the first Pope in over 700 years to do so, Pope Benedict has lived quietly in a convent in the Vatican gardens in Rome. He has devoted himself to

a life of prayer and study and has vowed to remain silent, until now. So much controversy still surrounds Pope Benedict's time in office. In this book, written with bestselling German author Peter Seewald, he addresses the issues of his papacy and reveals how, at his late age, governing and reforming the Church was beyond him. Last Testament is also an autobiography, recalling Pope Benedict's childhood in Germany under Nazism, his early development as a priest, and eventually his appointment as Archbishop of Munich. After becoming Pope, his account deals with the controversies that rocked the Catholic world: how he enraged Muslims with his Regensburg speech, what he did and did not do to stamp out the clerical sexual abuse of children, the 'Vatileaks' scandal and how he broke up a gay cabal within the Vatican itself. At all times, we see a man who is shy and retiring and modest being exceptionally open and frank with the outside world. In this Last Testament, a unique book insofar as no other living Pope has had the opportunity to write an account having left office, Benedict gives in his own words an unprecedented view of the difficulties, the achievements and the consequences of his time as head of the Catholic Church worldwide.

Mahatma Gandhi once chided a Christian friend, "All you Christians, missionaries and all, must begin to live more like Jesus Christ." And what Christian among us would disagree with him? After the holy wars and witch-hunts, after persecutions and political machinations, there is a broad sense today that the Church, however well-meaning, is on the wrong side of history. But do we really know our history? In this collaboration with historian Arnold Angenendt, best-selling German author Manfred Lütz dares to show us what contemporary historians actually say about Christianity's track record over the ages. This detailed overview begins with the ancient pagans, passing through Israel, the early Church martyrs, Constantine's Rome, the reign of Charlemagne, the Crusades, the Inquisition, the Reformation, the Borgia popes, the Galileo affair, the conquistadores, the French Revolution, the slave trade, the Holocaust, the sex abuse crisis, and more. The Scandal of the Scandals separates myth from fact, giving us a candid portrait of Christendom with its scars and all. Prepare to be amazed at how little you really knew about Christianity.
