PIRATES OF THE CARIBBEAN suite Dead Man's Chest Music by H. Zimmer Arranged by Alessandro Macrì CONTENTS JACK SPARROW THE KRAKEN DAVY JONES DINNER IS SERVED WHEEL OF FORTUNE Pirates of the Caribbean: Dead Man's Chest is the soundtrack for the Disney film of the same title, Pirates of the Caribbean: Dead Man's Chest. The score was composed by Hans Zimmer in 2006. Jack Sparrow: A track arranged in a concert suite style, (Like most of the tracks on the album) the opening melody is generally used as Jack's initial theme during his earlier scenes while on the Black Pearl, mainly his "drunken theme". The second part of the track is known as Jack's action theme. The action cue is heavily borrowed for his escape from the Pelegostos, and is used on the "Wheel of Fortune" theme multiple times as well. The Kraken: Another track arranged in concert suite fashion, this track consists of various cues for when the Kraken attacks and destroys the Edinburgh Trader ship, as well as when it attacks the Black Pearl toward the end of the movie. It is composed of three primary themes, two of which also represent the Flying Dutchman and its crew. One of the themes, played mainly by organ, bears a similarity to Johann Sebastian Bach's "Tocatta and Fugue in D Minor", although it could be seen as a tribute. Many other small themes can be heard throughout the track. Davy Jones: Yet another track arranged as a concert suite, this track is the primary theme used for the character Davy

Jones. Elements of his character are musically personified from the use of music box and organ. It is slightly different from the version heard in the film, using much less organ than the film. Dinner Is Served: This track starts with the tribal music played when the Island of the Pelegostos is seen from an aerial view and when Jack is first seen with his tribal makeup. The second part of the song is the waltz piece played while Will and the Black Pearl crew are swinging from the Bone Cage in an attempt to escape the island. Wheel of Fortune: The three-way duel between Jack, Norrington, and Will for the Dead Man's Chest key on the Isla Cruces. This lengthy action cue also covers Elizabeth, Pintel, and Ragetti's battle against the Dutchman crew for the Dead Man's Chest itself. Does not include the beginning of the duel, and actually begins when Pintel and Ragetti confront Elizabeth. "Wheel of Fortune" uses several of the action themes introduced in the "Jack Sparrow" suite, plus the first theme in the Kraken track, and many other action themes from earlier in the movie and in the first movie. The name likely refers to the giant water wheel on which much of the battle takes place.

Pirates of the Caribbean Hal Leonard Corporation

At the end of the fifteenth century, the Spanish Inquisition forced many Jews to flee the country. The most adventurous among them took to the high seas as freewheeling outlaws. In ships bearing names such as Prophet Samuel, Queen Esther, and Shield of Abraham, they attacked and plundered the Spanish fleet while forming alliances with other European powers to ensure the safety of Jews living in hiding. Jewish Pirates of the Caribbean is the entertaining saga of a hidden chapter in Jewish history, and of the cruelty, terror and greed that flourished during the Age of Discovery. Among the many daring figures to feature in the book are: 'the Great Jewish Pirate' Sinan, Barbarossa's second-in-command; Rabbi Samuel Palache and his brother, Joseph, who went from commanding pirate ships to founding the first openly Jewish community in the New World; and Abraham Cohen Henriques, and arms dealer who used his cunning and economic muscle to find safe havens for other Jews. Filled with high-seas adventures including encounters with Captain Morgan and other legendary pirates – and detailed portraits of cities stacked high

with plunder, such as Port Royal, Jamaica, Jewish Pirates of the Caribbean captures a gritty and glorious era of history from an unusual and eye opening perspective. Edward Kritzler is a historian and a former reporter for USA Today. He lives in Kingston, Jamaica.

Sail Sheet Music Hal Leonard Publishing Corporation
John Williams is one of the most renowned film composers in history. He has penned unforgettable scores for Star Wars, the Indiana Jones series, E.T. the Extra-Terrestrial, Jaws, Superman, and countless other films. Fans flock to his many concerts, and with forty-nine Academy Award nominations as of 2014, he is the second-most Oscar-nominated person after Walt Disney. Yet despite such critical acclaim and prestige, this is the first book in English on Williams's work and career. Combining accessible writing with thorough scholarship, and rigorous historical accounts with insightful readings, John Williams's Film Music explores why Williams is so important to the history of film music. Beginning with an overview of music from Hollywood's Golden Age (1933-58), Emilio Audissino traces the turning points of Williams's career and articulates how he revived the classical Hollywood musical style. This book charts each landmark of this musical restoration, with special attention to the scores for Jaws and Star Wars, Williams's work as conductor of the Boston Pops Orchestra, and a full film/music analysis of Raiders of the Lost Ark. The result is a precise, enlightening definition of Williams's "neoclassicism" and a grounded demonstration of his lasting

importance, for both his compositions and his historical role in restoring part of the Hollywood tradition. Best Special Interest Books, selected by the American Association of School Librarians Best Books for General Audiences, selected by the Public Library Reviewers
