This comprehensive edition of Russia's greatest modern poet, Anna Akhmatova (1899-1966), includes the complete texts of her major works *Requiem*, commemorating all of Stalin's victims, and *Poem Without a Hero*. Akhmatova published her first book of poems in 1912, and in the same year founded the Acmeist movement with her husband, the poet Gumilev. Her intense, highly personal love lyrics were later attacked as anti-revolutionary, and in 1925 her poetry was banned. Gumilev was shot in 1921 for alleged involvement in an anti-Bolshevik plot, and in the years of terror which followed under Stalin, Akhmatova was persecuted for her work along with fellow poets Mandelstam, who died in a camp, and Tsvetaeva, who committed suicide. She was able to publish some work during the war, but in 1946 she again came under attack, this time from Zhdanov, who denounced her with Pasternak and others for trying to 'poison the minds' of Soviet youth. These were attacks on her published work. What she was writing - but could not publish - was far more dangerous. For she had entered her years of silence. As she fought for her son's release from prison, she was writing her greatest poetry: the cycle *Requiem*, which commemorated all of Stalin's victims, and *Poem without a hero*, which she began in 1940 and worked on for over 20 years. All she wrote she committed to memory. Several trusted friends also memorised her poems, among them Mandelstam's widow Nadezhda. She wrote nothing down, and so survived, the people's conscience, the one who kept 'the great Russian word' alive.

Mick Imlah's second and long-awaited collection *The Lost Leader* was published to acclaim in 2008, shortly before his early death in January 2009. The present retrospect connects the work of three decades, drawing upon Imlah's earlier full-length collection, *Birthmarks* (1988), but also including uncollected poems and previously unpublished work. *The Lost Leader* won the Forward Prize and revealed a poet of dazzling virtuosity, eloquence and subtlety - breaking through, as Imlah said of Edwin Muir (whose poems he selected in his last year) 'to a field of unforced imaginative fluency and an unexpected common cause'. Edited by Mark Ford and with an essay by Alan Hollinghurst, the *Selected Poems* brings together the best work of a poet who can now be seen, with increasing clarity, as a 'lost leader' of Scottish poetry in our time.

Requiem and Poem without a Hero Humanities-Ebooks

As a poet, editor and essayist, T. S. Eliot was one of the defining figures of twentieth century poetry. This selection, which was made by Eliot himself, includes many of his most celebrated works, including *The Love Song of J. Alfred Prufrock* and *The Waste Land*. Other volumes in this series: Auden, Betjemen, Plath, Hughes and Yeats.

The extraordinary Muna Lee was a brilliant writer, lyric poet, translator, diplomat, feminist and rights

activist, and, above all, a Pan-Americanist. During the twentieth century, she helped shape the literary and social landscapes of the Americas. This is the first biography of her remarkable life and a collection of her diverse writings, which embody her vision of Pan America, an old concept that remains new and meaningful today.

Amy Lowell (1874-1925), American poet and critic, was one of the most influential and best-known writers of her era. Within a thirteen-year period, she produced six volumes of poetry, two volumes of criticism, a two-volume biography of John Keats, and countless articles and reviews that appeared in many popular periodicals. As a herald of the New Poetry, Lowell saw herself and her kind of work as a part of a newly forged, diverse, American people that registered its consciousness in different tonalities but all in a native idiom. She helped build the road leading to the later works of Allen Ginsberg, May Sarton, Sylvia Plath, and beyond. Except for the few poems that invariably appear in American literature anthologies, most of her writings are out of print. This will be the first volume of her work to appear in decades, and the depth, range, and surprising sensuality of her poems will be a revelation. The poetry is organized according to Lowell's characteristic forms, from traditional to experimental. In each section the works appear in chronological order. Section one contains sonnets and other traditional verse forms. The next section covers her translations and adaptations of Chinese and Japanese poetry, whereby she beautifully renders the spirit of these works. Also included here are several of Lowell's own Asian-influenced poems. Lowell's free, or cadenced verse appears in the third part. The last section provides samples of Lowell's polyphonic prose, an ambitious and vigorous art form that employs all of the resources of poetry. The release of *The Selected Poems of Amy Lowell* will be a major event for readers who have not been able to find a representative sampling of work from this vigorous, courageous poet who gave voice to an erotic, thoroughly American sensibility.

Wilfred Owen (Routledge Revivals) Heinemann

A RICHLY-ILLUSTRATED MYSTICAL CLASSIC . NEW IN PAPERBACK. *The Conference of the Birds* is a twelfth-century Sufi allegorical poem. The story of the quest for a king undertaken by the birds of the world, it also describes the Sufi (or mystical Islamic) path to enlightenment. Though hugely popular and influential in the Islamic world, the poem is still relatively unfamiliar in the West. In this edition, the poet Rafiq Abdulla has reinterpreted key extracts to make the wisdom of Sufism accessible to the contemporary reader. Combining amusing anecdotes and satire with passages of great mystical beauty, the poem uses the birds' journey to describe the stages of spiritual experience. This edition is richly illustrated with illuminations from Persian manuscripts.

Selected Poems: Expanded Edition Pascal Press

With this edition Swallow Press presents two of Anna Akhmatova's best-known works that represent the poet at full maturity, and that most trenchantly process the trauma she and others experienced living under Stalin's regime. Akhmatova began the three-decade process of writing "Requiem" in 1935 after the arrests of her son, Lev Gumilev, and her third husband. The autobiographical fifteen-poem cycle primarily chronicles a mother's wait—lining up outside Leningrad Prison every day for seventeen months—for news of her son's fate. But from this limbo, Akhmatova expresses and elevates the collective grief for all the thousands vanished under the regime, and for those left behind to speculate about their loved ones' fates. Similarly, Akhmatova wrote "Poem without a Hero" over a long period. It takes as its focus the transformation of Akhmatova's beloved city of St. Petersburg—historically a seat of art and culture—into Leningrad. Taken together, these works plumb the foremost themes for which Akhmatova is known and revered. When Ohio University Press published D. M. Thomas's translations in 1976, it was the first time they had appeared in English. Under Thomas's stewardship, Akhmatova's words ring clear as a bell.

Only a handful of prominent émigré Ukrainian poet-scholar Bohdan Rubchak's poems have appeared in English translation prior to the publication of this volume. Rubchak died in 2018 at the age of 83 after publishing six collections of poetry, the last for which he received the prestigious Pavlo Tychyna Prize in Ukraine in 1993. Rubchak was part of the extremely talented displaced generation that escaped from the traumatic experiences of World War II to find a new life and creative inspiration in a new land. As an integral part of the New York Group of Ukrainian poets, his complex, at times seemingly cryptic poetry, makes the translator's task imposing. His poems are filled with meaning on multiple levels – semantic, syntactic, auditory, symbolic, and allusive. The volume, co-translated by Michael M. Naydan and Svitlana Budzhak-Jones, includes selections from all six of Rubchak's published collections of poetry: *The Stone Garden* (1956), *The Radiant Betrayal* (1960), *The Girl without a Country* (1963), *A Personal Clio* (1967), *Drowning Marena* that appeared as part of *The Wing of Icarus* (1983) selected works volume, and the expanded selected works edition *The Wing of Icarus* (1991), which was the poet's only collection of poetry published in Ukraine. The book also contains an intimate and revealing biographical essay based on the poet's unpublished diaries by his wife of over fifty years Marian J. Rubchak, illuminating essays on his poetry by Svitlana Budzhak-Jones and Mykola Riabchuk, and a brief biographical essay and timeline by Michael M. Naydan, the editor of the volume.

Selected Poems from the Divani Shamsi Tabriz A&C Black

Complete poems are bulky and too heavy to carry around. Collected poems pretend to be complete, but usually are not. Selected poems are altogether unpretentious and reader-friendly. But they can be problematic. Who decides what poems are important for inclusion in a volume of selected poems? When the selection occurs during the author's lifetime, may one assume that the author was involved? What motivates the choice of one poem over another? How do readers' preferences influence this choice? How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection? The essays in this volume address these questions in a variety of ways, and also provide an overview of poetic writing from modernist poets to the present day, using selections from the 1940s until now. They offer new insight into the uses, both pedagogical and critical, of selection. Because *Selected Poems* usually address a large general public, these essays have also been written for all those who wish to know more about how these slimmer, more attractive volumes are produced.

Everyone has his or her own idea of what poetry is. In *Poets Unbound* you have fifteen perspectives. Whether your taste runs to formal rhyming poems, imagistic depictions of feeling, or the no-frills language of the everyday, there is something here for you. There are poems celebrating life, poems of mourning, nature poems, city poems, poems about mythology and popular culture, animals, God, and mankind. This collection is as diverse as its authors, but whatever the differences, the poems

are united by the shared value that poetry is not only important but necessary. Every poet in this book has handed copies of his/her poems around a table to half a dozen people with editing pens to ask, "how could this poem be better?" Every poet in this book has left a meeting feeling sorry that he/she asked, and come back the next week to hear more, trusting that a poem important enough to write, is important enough to craft. *Poets Unbound* contains many styles, subjects, and viewpoints. Most of all, it contains the distinct voices of people who believe poetry a vital way to communicate the individual world.

Thomas Hardy is unique in English literature as a major novelist who is also a major poet. His collected poetry is among the most distinctive bodies of verse in the language, and includes such pinnacles of the lyric tradition as 'The Darkling Thrush' and the series of haunted love-elegies written in memory of his first wife Emma and such instantly recognizable titles as 'Drummer Hodge', 'A Trampwoman's Tragedy', 'Convergence of the Twain'. It is also among the most controversial. Ever since his poetry first appeared in the collection *Wessex Poems* in 1898, readers and critics alike have stumbled over its awkwardnesses or been seduced by its idiosyncratic music, have celebrated its unprecedented formal inventiveness or deplored its perceived lack of ambition. It has been variously read as an archetype of the Victorian intellectual odyssey, as the work of a proto-modernist, and as the fountainhead of contemporary British verse. At once traditional and modern, the acme of artifice and a conduit of intense emotion, it remains a critical enigma. This exemplary study guide seeks to set Hardy's poetry in the context of his life, times and literary heritage, and to understand, through a close reading of selected poems, both the challenge it offers to criticism and the elusive power it continues to exert over each new generation of readers. All his collections are introduced including *Wessex Poems*, *Poems of the Past and Present*, *Time's Laughingstocks*, *Satires*

of *Circumstance*, *Moments of Vision*, *Late Lyrics and Earlier*, *Human Shows* and *Winter Words*.

Selected Poetry Interlink Books

Drawn from thirty years of work, this selection, made by the poet himself, gathers from the best of Jamie McKendrick's six acclaimed collections, including some translations, from 1991's debut *The Sirocco Room to Out There* (2012, and winner of the Hawthornden Prize) by way of *The Marble Fly* (1997), winner of the Forward Prize for Best Collection, and *Ink Stone*, shortlisted for both the T. S. Eliot Prize and the Whitbread Poetry Award in 2003. *Sky Nails*, his selected poems, was published by Faber in 2000, and selections of his poems have been translated and published in Holland and in Italy. Throughout, McKendrick has been concerned with the charting of space, of the distances between homeland and edgeland, the far-flung and the near-at-hand, the past and present, the familiar and the strange in poems which cast a sharp eye over their subject matter and return with wry, unsettling observations. There is remembrance, here, and salvage, a bringing to light of that which is obscured or lost, not only the ink stones in Chinese riverbeds, but extinct species, spacecraft and flooded houses, as well as historical figures, including a 10th-century physicist from Basra, Irish activist Roger Casement, and artists Gaudi, Höch and Piranesi.

This book effectively brings out the multivalence of the poetry of both Emily Dickinson and Sylvia Plath without sensationalizing either the writers or their work. Although it begins by selecting and demarcating various poems by the two authors thematically, it adopts a multi-pronged approach to the two writers that dissolves all water-tight compartments, and provides a holistic view of the issues raised through the poetry, and the similarities and differences in the approaches, of the two women.
