Coming Apart Macmillan

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. The main idea of "The Gift of

the Magi" is that the value of a gift is in the giver, rather than the gift itself. Jim and Della, out of their love for each other, purchased a gift that required them to sacrifice something that was precious to them.

Merchant of Venice HarperCollins UK

A Midsummer Night's Dream is a romantic comedy by William Shakespeare, suggested by "The Knight's Tale" from Geoffrey Chaucer's *The Canterbury Tales*, written around 1594 to 1596. It portrays the adventures of four young Athenian lovers and a group of amateur actors, their interactions with the Duke and Duchess of Athens, Theseus and Hippolyta, and with the fairies who inhabit a moonlit forest. The play is one of Shakespeare's most popular works for the stage and is widely performed across the world.

'Tis Pity She's A Whore Amz Jay

In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her

tumultuous early years in this “compelling...unvarnished, resonant” (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

The Merchant of Venice Routledge

This tale, "The City of the Sun" is told to author by a sea captain about his visit to an island Taprobane. The Protagonist describes his search for this land where the labor is divided equally among people who work for common good and not for money. The novel certainly depicts the author's utopian vision and reflects the idealism and revolutionary trends of thought in the age of reason. Appealing!

Romeo and Juliet ReadHowYouWant.com

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books. The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

I Follow But Myself Castrovilli Giuseppe

FOLGER Shakespeare Library THE WORLD'S LEADING CENTER FOR SHAKESPEARE STUDIES The Folger Shakespeare Library is one of the world's leading centers for scholarship, learning, and culture. The Folger is dedicated to advancing knowledge and increasing understanding of Shakespeare and the early modern period; it is home to the world's largest Shakespeare collection and one of the leading collections of books and materials of the entire early modern period (1500-1750). Combining a worldclass research library and scholarly programs; leadership in curriculum, training, and publishing for K-12 education; and award-winning performing arts, exhibitions, and lectures, the Folger is Shakespeare's home in America. This volume of the Shakespeare Set Free series is written by institute faculty and participants, and includes the latest developments in recent scholarship. It bristles with the energy created by teaching and learning Shakespeare from the text and through active performance, and reflects the experience, wisdom, and wit of real classroom teachers in schools and colleges throughout the United States. In this book, you'll find the following: Clearly written essays by leading scholars to refresh teachers and challenge older students Effective and accessible techniques for teaching Shakespeare through performance and engaging students in Shakespeare's language and plays Day-by-day teaching strategies for Twelfth Night and Othello that successfully and energetically immerse students of every grade and skill level in the language and in the plays themselves -- created, taught, and written by real teachers *Shakespeare's Language* London, Chiswick Press Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.

City of the Sun Cengage Learning

This is one of Shakespeare's darkest comedies, for the romantic story of a young man, Bassanio, who has squandered his fortune and must borrow money to woo the wealthy lady he loves is set against the more disturbing story of the Jewish moneylender Shylock and his demand for the “pound of flesh” owed him by the Venetian merchant, Antonio. Here pathos and farce combine with moral complexity and romantic entanglement to display the extraordinary power and range of Shakespeare at his best. Each Edition Includes: • Comprehensive explanatory notes • Vivid introductions and the most up-to-date scholarship • Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English • Completely updated, detailed bibliographies and performance histories • An interpretive essay on film adaptations of the play, along with an extensive filmography

The Big Questions: A Short Introduction to Philosophy Simon and Schuster

The last decade has seen a revival of interest in John Ford and especially 'Tis Pity She's a Whore, his tragedy of religious scepticism, incestuous love, and revenge. This text in particular has provided a focus for scholarship as well as being the subject of a number of major theatrical productions. Simon Barker guides the reader through the full range of previous interpretations of the play; moving from an overview of traditional readings he goes on to enlarge upon new questions that have arisen as a consequence of critical and cultural theory.

The World's First Quiz Almanac Simon and Schuster

[CliffsComplete Othello](#) Independently Published

Plumbing the sweet mysteries of Shakespeare's "language," the author argues that the Bard's tragedies were probably difficult even for his contemporaries to understand and identifies a shift in Shakespeare's use of language around 1600. Reprint. 15,000 first printing.

King Lear: Questions & Answers Cliffs Notes

Macbeth One night on the heath, the brave and respected general Macbeth encounters three witches who foretell that he will become king of Scotland. At first sceptical, he's urged on by the ruthless, single-minded ambitions of Lady Macbeth, who suffers none of her husband's doubt. But seeing the prophecy through to the bloody end leads them both spiralling into paranoia, tyranny, madness, and murder. This shocking tragedy - a violent caution to those seeking power for its own sake - is, to this day, one of Shakespeare's most popular and influential masterpieces.

[The Gift of the Magi \(Illustrated\)](#) William Morrow

NEW YORK TIMES BESTSELLER • A fascinating explanation for why white America has become fractured and divided in education and class, from the acclaimed author of *Human Diversity*. "I'll be shocked if there's another book that so compellingly describes the most important trends in American society."—David Brooks, *New York Times* In *Coming Apart*, Charles Murray explores the formation of American classes that are different in kind from anything we have ever known, focusing on whites as a way of driving home the fact that the trends he describes do not break along lines of race or ethnicity. Drawing on five decades of statistics and research, *Coming Apart* demonstrates that a new upper class and a new lower class have diverged so far in core behaviors and values that they barely recognize their underlying American kinship—divergence that has nothing to do with income inequality and that has grown during good economic times and bad. The top and bottom of white America increasingly live in different cultures, Murray argues, with the powerful upper class living in enclaves surrounded by their own kind, ignorant about life in mainstream America, and the lower class suffering from erosions of family and community life that strike at the heart of the pursuit of happiness. That divergence puts the success of the American project at risk. The evidence in *Coming Apart* is about white America. Its message is about all of America.

The Seven Ages of Man Crown Forum

In 1603, James VI of Scotland ascended the English throne, becoming James I of England. London was alive with an interest in all things Scottish, and Shakespeare turned to Scottish history for material. He found a spectacle of violence and stories of traitors advised by witches and wizards, echoing James's belief in a connection between treason and witchcraft. In depicting a man who murders to become king, Macbeth teases us with huge

questions. Is Macbeth tempted by fate, or by his or his wife's ambition? Why does their success turn to ashes? Like other plays, Macbeth speaks to each generation. Its story was once seen as that of a hero who commits an evil act and pays an enormous price. Recently, it has been applied to nations that overreach themselves and to modern alienation. The line is blurred between Macbeth's evil and his opponents' good, and there are new attitudes toward both witchcraft and gender.

The tragedy of Romeo and Juliet - the greatest love story ever.

Othello

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Othello, etc

The plot of Shakespeare's *Othello* is largely taken from Giraldi Cinthio's *Gli Hecatommithi*, a tale of love, jealousy, and betrayal; however, the characters, themes, and attitudes of the two works are vastly different, with Shakespeare's play being a more involved study of human nature and psychology. One of the major deviations from the source, is the motivation of the Iago figure. Cinthio's Iago was driven to revenge when Desdemona refused to have an affair with him; Iago's motivations are not nearly so plain in Shakespeare's version. *Othello* also touches upon a major issue in Europe of this time period; the intermingling of Muslim religion and culture with the West. Written just a century after the Muslims were driven out of Spain as a part of the Reconquista, there are obvious threads of hostility within the play about *Othello*'s Moorish origins, and his differences in religion and culture. The hostility between the West and the East is also shown in the conflict between Venice and the Turks; the Christian Venetians want to protect Christendom from the influence of the Muslim Turks, and ironically, Moorish *Othello* is the one sent to complete this mission. *Othello* is considered to be a prime example of Aristotelian drama; it focuses upon a very small cast of characters, one of the smallest seen in Shakespeare's body of work, has few distractions from the main plot arc, and concentrates on just a few central themes. As such, it is one of the most intense and focused plays Shakespeare wrote, and has also enjoyed a great amount of popularity from the Jacobean period to the present day
