Sisters Red Zebra Books
 As far as job hazards go, Douglass Fraser didn't think crash-landing on an alien planet and spending her recuperation being erotically pleased by three gorgeous men was in the United Planetary Parcel Service's courier handbook. There certainly wasn't a section on what to do when a very sexy king wants you to have his baby and save his world. Marcus Blood Axe isn't only a descendant of ancient Viking space travelers, he's also a ruler

dealing with a shortage of fertile women and no heir. Surely the gods are on his side when Douglass drops out of the sky and into his bed, giving him a last chance to stop his people's death spiral into extinction. Despite the exquisite pleasures to be found in the king's arms, Douglass wants more from Marcus than to be his broodmare. When another woman claims to be pregnant with Marcus' child, it's past time to get back home. Now the war Marcus wages is one of sensual passion designed to convince his Earth woman that she's worth everything to him...even if it means giving up what he cherishes most.

Kane and Abel Aphrodisia

A comprehensive and intimate guide to finding, keeping, and enjoying love after fifty, the best kind of love there is. Studies keep showing that love after fifty is more satisfying than at any other stage in life, and it makes sense: at this stage, you are more emotionally stable and more focused on the present; you know what you absolutely have to have, but also what you can live without; partnering is no longer about building family and fortune—it's about sharing intimacy as grounded individuals. And sex isn't pass/fail anymore, but about becoming erotic friends. So, if this is the promised land, how do you get there? In *Love After 50*, journalist Francine Russo interviewed the best experts in the field and dozens of couples to help show the way. Her "practical, excellent guide" (John Gottman, author of *The Seven Principles for Making Marriage Work*) includes advice like: -How to recover from the emotional damage of divorce, the grief of widowhood, or a history of unfulfilling relationships -How to build realistic requirements for a partner -What attitudes to bring to dating -How to overcome the psychical challenges of sex and embrace your erotic selves -How to evaluate the financial, emotional, and practical results of marrying, living together, or living apart -How to deal with (hostile) adult kids to safeguard your relationship and family *Love After 50* is "essential reading" (Pauline Boss, PhD, author of *The Myth of Closure*) that is not only practical but also unassuming and candid. It is full of real people's stories (including the author's), with vivid examples of couples who have overcome their pasts to form healthy and nurturing partnerships. In other words, it's as real as love after fifty can be.
