“If you are curious and open to the life around you, if you are troubled as to why, how and by whom political power is held and used, if you sense there

must be good intellectual reasons for your unease, if your curiosity and openness drive you toward wishing to act with others, to ‘do something,’ you already have much in common with the writers of the three essays in this book.” — Adrienne Rich  
With a preface by Adrienne Rich, *Manifesto* presents the radical vision of four famous young

rebels: Marx and Engels’ *Communist Manifesto*, Rosa Luxemburg’s *Reform or Revolution* and Che Guevara’s *Socialism and Humanity*.

Newly updated for a new audience of independent, out-of-the-bridal-box thinkers, *Offbeat Bride* is today's go-to source of support for couples who dare to walk off the beaten aisle Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted by -- and horribly distanced from -- the nuances of traditional nuptials. So,

she chose the aisle less-traveled for her own wedding day. In this newly updated edition of *Offbeat Bride*, Stallings humorously recounts the story of the original offbeat wedding -- hers -- and shares anecdotes and advice from dozens of other nontraditional couples. She provides plenty of insider tips for avoiding extra costs and cumbersome obligations, along with a clever planner to help you create your own special day. Both practical and enjoyable, *Offbeat Bride*

validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process--from unique ideas on how to announce the engagement all the way to answering the question, "So, how's married life?" *Stallings* is the ultimate guide to the alternative wedding of your dreams, encouraging every bride and groom to create their own distinctive celebrations of partnership and love.

“McGonigal is a clear, methodical writer, and her ideas are well argued. Assertions are backed by countless psychological studies.” —The Boston Globe “Powerful and provocative . . . McGonigal makes a persuasive case that games have a lot to teach us about how to make our lives, and the world, better.” —San Jose Mercury News “Jane McGonigal's insights have the elegant, compact, deadly simplicity of plutonium, and the same explosive force.” —Cory Doctorow, author of Little

Brother A visionary game designer reveals how we can harness the power of games to boost global happiness. With 174 million gamers in the United States alone, we now live in a world where every generation will be a gamer generation. But why, Jane McGonigal asks, should games be used for escapist entertainment alone? In this groundbreaking book, she shows how we can leverage the power of games to fix what is wrong with the real world—from social problems like

depression and obesity to global issues like poverty and climate change—and introduces us to cutting-edge games that are already changing the business, education, and nonprofit worlds. Written for gamers and non-gamers alike, *Reality Is Broken* shows that the future will belong to those who can understand, design, and play games. Jane McGonigal is also the author of *SuperBetter: A Revolutionary Approach to Getting Stronger, Happier, Braver and More Resilient*. *Ronaldo Rules* CRC Press

The inside story of a band of entrepreneurial upstarts who made millions selling painkillers—until their scheme unraveled,

putting them at the center of a landmark criminal trial. • SOON TO BE THE MAJOR MOTION PICTURE PAIN HUSTLERS STARRING EMILY BLUNT AND CHRIS EVANS "Unfolds with the velocity and verve of a Scorsese film...A tour de force."—Patrick Radden Keefe, New York Times bestselling author of Empire of Pain and Say Nothing John Kapoor had already amassed a small fortune in pharmaceuticals when he founded Insys Therapeutics. It was the early 2000s, a boom time

for painkillers, and he developed a novel formulation of fentanyl, the most potent opioid on the market. Kapoor, a brilliant immigrant scientist with relentless business instincts, was eager to make the most of his innovation. He gathered around him an ambitious group of young lieutenants. His head of sales—an unstable and unmanageable leader, but a genius of persuasion—built a team willing to pull every lever to close a sale, going so far as to recruit an exotic

dancer ready to scrape her way up. They zeroed in on the eccentric and suspect doctors receptive to their methods. Employees at headquarters did their part by deceiving insurance companies. The drug was a niche product, approved only for cancer patients in dire condition, but the company's leadership pushed it more widely, and together they turned Insys into a Wall Street sensation. But several insiders reached their breaking point and blew the whistle. They

sparked a sprawling investigation that would lead to a dramatic courtroom battle, breaking new ground in the government's fight to hold the drug industry accountable in the spread of addictive opioids. In *The Hard Sell*, National Magazine Award–finalist Evan Hughes lays bare the pharma playbook. He draws on unprecedented access to insiders of the Insys saga, from top executives to foot soldiers, from the patients and staff of far-flung clinics to the Boston

investigators who treated the case as a drug-trafficking conspiracy, flipping cooperators and closing in on the key players. With colorful characters and true suspense, *The Hard Sell* offers a bracing look not just at Insys, but at how opioids are sold at the point they first enter the national bloodstream—in the doctor's office.

Don't host a party-host a memory. Everyone loves to throw the perfect party-the one all your friends talk about. Today, everyone is searching for ways to save and still do the things they love in a big way, and almost everyone is craving for

creative ideas and solutions to celebrate their lives in a big way-on a tiny budget. New York party-planner Hilary Pereira has happily played hostess and rolled out the red carpet for celebrities such as Jerry and Jessica Seinfeld, Kanye West, Josh Duhamel, Helen Hunt, Vanessa Carlton, Allison Krauss, Helena Christensen, Jane Krakowski, John Legend, Nigel Barker and Danity Kane-just to name a few. And as much as she loves hosting wonderful parties for celebrities, her favorite

fetes are the ones she hosts for family and friends. *Mermaids & Martinis* is a book to teach you creative ways to economize, but also to remember to turn your party into a memory. You may be asking yourself: Why a Mermaid? Look no further than this quote from Louisa May Alcott to capture the essence of our main character: She was one of those happily created beings who please without effort, make friends everywhere and take life so gracefully and easily that less

fortunate souls are tempted to believe that such are born under a lucky star.

Please, God, no more hard things. Nicki Koziarz knows what it's like to whisper those words to God. She understands what it feels like to be flooded by hopelessness and hard situations, wondering if it will ever stop. Hard circumstances often stir something so destructive in a soul: doubt. Through the painful loss of her mom to

a brain tumor and her brother to suicide, she has learned that if doubt is left undealt with, it can cause the presence of unbelief to flood our lives- to the point that faith becomes unrecognizable. In the midst of her pain, Nicki looked through the lens of the biblical account of Noah and discovered five decisions a person can make to help deflect the destruction of doubt. When you are wrestling with doubt and fighting back hopelessness, Flooded will help you: •

Quiet the fear that God won't come through by discovering the difference between wishful thinking and biblical hope. • Resist the urge to control the uncontrollable by finding peace in between the problem and the promise. • Find the familiar faithfulness of God in His Word when it feels like nothing is normal and everything is falling apart. The reality of hard times holds a decision for each of us to find hope. And the decision to find it is yours. But you don't have to do it alone. It's time to rise

above doubt, together. *The Hard Sell Reader's Digest Association* New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
