 You've probably got a

good toolkit for emergency repairs and routine maintenance. But do you

have the tools you need to draft a legally valid lease or write a move-out letter that will protect you later?
Protect Your Family from Lead in Your Home NOLO James W. Martin is a Florida Bar Board Certified Real Estate Lawyer and Adjunct Professor of Law at Stetson University College of Law who, for over forty years, has practiced Florida real estate, probate, and business law. This book assists

lawyers in drafting lease agreements for Florida real estate by the use of example forms, including lease agreements for residential and nonresidential leases and miscellaneous lease clauses. This is a legal forms book and is not a treatise on substantive real estate law. The lawyer should consult Florida Statutes and case law in every case before using any form. No form should

be used and no procedure should be followed unless the lawyer understands it and decides that it applies to his or her law practice and to the facts in the particular case. Each lawyer's practice differs in some respects, and all transactions differ, so the lawyer should plan to make changes to these forms accordingly.
