A Southern socialite heads to an Irish castle in this modern take

on *Gone With the Wind*—from the USA Today–bestselling author of the *It Girls* series. Television broadcaster Tara Maxwell enjoys a life of leisure in beautiful, historic Charleston, South Carolina. But luck, and family fortunes, have a way of running out. Suddenly Tara is left with only one place to turn—her late aunt’s country home in northwest Ireland. The catch: to claim her inheritance Tara must agree to live in Castle Tásúildun for three months. With two other potential heirs. And choose one to be co-owner of the estate. Tara sees right through her aunt’s matchmaking scheme and isn’t willing to share the castle with anyone. She’s desperate to drive out Aidan Gallagher and Rhys Burroughes. But as God is her witness, both men are infernally stubborn. Aidan, once her carefree childhood friend, is now an army veteran desperate for the peace the castle offers. Rhys, a smooth-talking businessman,

plans to preserve the ramshackle property by transforming it into a luxury hotel. Tara, for the first time, is realizing that frankly, she does give a damn—about others' happiness as well as her own. But is she ready to open her home—not to mention her heart—to the possibility of an epic adventure? Be sure to read about Tara's sisters, Manderley and Emma Lee! Praise for Leah Marie Brown "Humor, heat, and a sexy Frenchman...a winner!"—#1 New York Times bestseller Helen Hardt on *Dreaming of Manderley* "Brown has a wily way of bringing her stories to life with sharp dialogue and drop-dead sexy characters."—National bestselling author Cindy Miles on *Faking It*

It is there, that the waitress, abruptly finds herself in the midst of a universal war between the forces of order and chaos. Deemed the 'Champion of Light' and aided by her devoted guardians, Brianna, embarks on a quest to unlock the Veritas; an ancient power source that is - the key - to closing a great, hell mouth. A trans boy determined to prove his gender to his traditional Latinx family summons a ghost who refuses to leave in Aiden Thomas's New York Times-bestselling paranormal YA debut *Cemetery Boys*, described by Entertainment Weekly as "groundbreaking." Yadriel has summoned a ghost, and now he can't get rid of him. When his traditional Latinx family has problems accepting his true gender, Yadriel becomes determined to prove himself a real brujo. With the help of his cousin and best friend Maritza, he performs the ritual himself, and then sets out to find the ghost of his murdered cousin and set it free. However,

the ghost he summons is actually Julian Diaz, the school's resident bad boy, and Julian is not about to go quietly into death. He's determined to find out what happened and tie off some loose ends before he leaves. Left with no choice, Yadriel agrees to help Julian, so that they can both get what they want. But the longer Yadriel spends with Julian, the less he wants to let him leave. Praise for *Cemetery Boys*: Longlisted for the National Book Award "The novel perfectly balances the vibrant, energetic Latinx culture while delving into heavy topics like LGBTQ+ acceptance, deportation, colonization, and racism within authoritative establishments." —TeenVogue.com "This stunning debut novel from Thomas is detailed, heart-rending, and immensely romantic. I was bawling by the end of it, but not from sadness: I just felt so incredibly happy that this queer Latinx adventure will get to be read by other kids. *Cemetery Boys* is necessary: for trans kids, for queer kids, for those in the Latinx community who need to see themselves on the page. Don't miss this book." —Mark Oshiro, author of *Anger is a Gift*

Sol selects ten of the most worthy semidioses to compete in the Sunbearer Trials. "I can't deal with your games anymore. Tell me the truth about Caroline," I asked. To my surprise, Aiden's reaction was nothing like I expected. His face contorted with a cold, bitter laugh. "Oh, please. You think you're worth my time? You're just a nobody, and I'm not going to make our thing public. You're just a convenient little toy for me to use," I took a deep breath, mustering all the strength I had left, and decided to play it cool. I needed to catch him off guard and show him that I was not going

to be just another pawn in his twisted games. "Is that how you see me, Aiden? Just a damn toy? Well, I've had enough of your games," Aiden looked taken aback, clearly not expecting this reaction from me. I could see the anger and frustration in his eyes, but I refused to back down. "I reject you as my mate, Aiden," I continued, my voice firm and resolute. *** In a world of werewolves and secrets, Leah conceals her pregnancy from everyone, even her mate, the popular and handsome Aiden. When she discovers her true mate is Ian, the heir to the powerful Silver Pack, their lives entwine in unexpected ways. Aiden's betrayal, Clara's support, and a three-year absence shape Leah's strength as a single mother. As Ian reenters her life, can he prove himself worthy of her love, and will their bond survive the challenges of pack politics and lingering secrets?

A Widow's Walk Turner Publishing Company

Six Years and a Quarter Way Through is a story about a young woman who's lost her way. Like many of us, Leah believed that the vision supersedes the process until, at age twenty-six, she stops believing in the vision and the one who gave it to her. Leah has lost her faith, her job, her confidence, and maybe her mind. Utterly defeated and without hope that her dreams to become a star would come true, she meets Trenton Shaw, a rich, powerful, handsome, hot-shot producer who has spent the last six years of his life trying to find her. Leah is weary of Trenton initially, particularly since he is adamant about enlisting her for a new reality show that he is putting together called "Star Quality." However, after reasoning that she has nothing left to lose, she consents. If she wins the show, she will receive a cash prize, an agent, and most importantly a part in a brand-new feature film;

even if she loses, people would still know her name. Trent and Leah quickly fall for each other, forming an intense and sometimes volatile relationship, which only gets more complicated after she moves into the house she'll be sharing with her costars and meets Brice. Frightened awake from a nightmare, Leah stumbles into the living room, where she finds Brice looking as haunted as she feels; he confides in her about his dead fiancée, and she in him about her nightmares and anxiety attacks. Her nightmares recur, worsening with each night as the competition intensifies and her relationship with Trent deepens. Gradually it becomes apparent that Leah's way of getting everything she's ever wanted may have taken her on a road she should not have traveled. At its core, this is a story about the journey we all must take: What do we believe? How strongly do we believe it? Will that belief be steadfast in the face of temptation? Although everyone's story is different, you only either chose to do it God's way or your own.
