Evening Post Books
Alice Ravenel Huger Smith
(1876-1958), a leader of
the Charleston
Renaissance,
immortalized the beauty
and history of the Carolina
Lowcountry and helped

propel the region into an
important destination for
cultural tourism. A lifelong
Charleston resident, she
helped spark the city's
historic preservation
movement, depicted the
waning days of rice
planting, and captured
the mystical spirit of the
Lowcountry in luminous
watercolors. This
beautifully-illustrated
volume is a personal
account of the artist's life

and work that draws on
unpublished papers,
letters, and interviews. It
includes over 200
paintings, prints,
sketches, and
photographs, many
shared for the first time.
The most comprehensive
book ever made of Alice's
work, it is both an
important contribution to
Southern art scholarship
and a gorgeous addition
to the bookshelves of art

lovers. Published by Evening Post Books in collaboration with the Middleton Place Foundation.

2017 W. W. Norton & Company

Fighting Fantasy gamebooks have sold over 17 million books

worldwide, in over 30 languages. But when Steve Jackson and Ian Livingstone sat down to write *The Warlock of Firetop Mountain* they had no idea this one book would go on to spawn another eighty or more titles, and have an immeasurable impact on a generation of children growing up in the 1980s. Part history, part celebration, *YOU ARE THE HERO* chronicles more than three decades of Fighting Fantasy. Written by Jonathan Green (author of seven Fighting Fantasy

titles), this mighty tome will appeal to anyone who ever wiled away a washed-out summer holiday with only two dice, a pencil, and an eraser for company. This is a fixed format PDF eBook, with all of the same stunning, full-colour artwork as the hardback and paperback. Best viewed on a colour screen of 7" upwards, as a daily reader to keep your precious hardback safe. "YOU ARE THE HERO is as read-under-the-covers immersive as its subject matter; great characters, amazing stories and a

surprise behind every door. 5 stars!" -- SCIFI Now "The most comprehensive history of the Fighting Fantasy phenomenon I've ever seen. With its maps, notes, art and photographs it's not just a celebration but a fascinating resource." -- SFX "How many thousands of heroes did these books create? And how many lost their lives with a bad roll of the dice? A publishing phenomenon, without which computer games wouldn't be what they are

today. About time these books were celebrated. Now go to page 45 and face your nemesis." -- Charlie Higson

Getting Your FREE Bonus Download this book and click the link in the "BONUS: Your FREE Gift" chapter."

A Critical History Since 1945 University of Michigan Press
 Lowcountry storyteller Delores B. Nevils and acclaimed artist Jonathan Green collaborate to share the story of Amadeus, a loud and proud leghorn rooster who comes to live with a widow lady in the Corners community of St. Helena Island on the South Carolina coast. The widow lady's dogs—Kane and Able—and cats—Mae Liza, Scooter, and Pumpkin—are unhappy with the arrival of this

new resident in their yard. Amadeus makes himself at home and becomes the pride of the neighborhood. When the widow lady comes to welcome Amadeus and his constant cock-a-doodle-dooing, a rivalry develops between the rooster and the original residents of the yard, with unexpected results. The cautionary story of Amadeus teaches a valuable lesson for readers of all ages about what can be lost without cooperation and friendship. As the

characters learn from the consequences of their actions, if you do not take care of everyone and everything around you, then you just might end up with nothing.

Although nearly forgotten today, the prophetic writing of Wilhelm Friess was the most popular work of its kind in Germany in the second half of the sixteenth century. While the author "Wilhelm Friess" was a convenient fiction, his text had a long and remarkable history as it moved from the papal court in fourteenth-century Avignon, to Antwerp under Habsburg oppression, to Nuremberg as it was still reeling from Lutheran failures in the Schmalkaldic War, and

then back to Antwerp at the outbreak of the Dutch revolt. Dutch scholars have recognized that Frans Fraet was executed for printing a prognostication by Willem de Vriese, but this prognostication was thought to be lost. A few scholars of sixteenth-century German apocalypticism have briefly noted the prophecies of Wilhelm Friess but have not studied them in depth. *The Strange and Terrible Visions of Wilhelm Friess* is the first to connect de

Vriese and Friess, as well as recognize the prophecy of Wilhelm Friess as an adaptation of a French version of the *Vademecum* of Johannes de Rupescissa, making these pamphlets by far the most widespread source for Rupescissa's apocalyptic thought in Reformation Germany. The book explains the connection between the first and second prophecies of Wilhelm Friess and discovers the Calvinist context of the second prophecy and its connection to Johann

Fischart, one of the most important German writers of the time. Jonathan Green provides a study of how textual history interacts with print history in early modern pamphlets and proposes a model of how early modern prophecies were created and transmitted. *The Strange and Terrible Visions of Wilhelm Friess* makes important contributions to the study of early modern German and Dutch literature, apocalypticism and confessionalization during the Reformation, and the

history of printing in the sixteenth century.

The Unexpected Lives of the World's Most Successful Insects

Profile Books

Winner of the National Outdoor Book Award for Natural History and a New York Times Editors Choice Pick "After reading Super Fly, you will never take a fly for granted again.

Thank you, Jonathan Balcombe, for reminding us of the infinite marvels of everyday creatures."

—Sy Montgomery, Author of How to Be a Good Creature From an expert

in animal consciousness, a book that will turn the fly on the wall into the elephant in the room. For most of us, the only thing we know about flies is that they're annoying, and our usual reaction is to try to kill them. In Super Fly, the myth-busting biologist Jonathan Balcombe shows the order Diptera in all of its diversity, illustrating the essential role that flies play in every ecosystem in the world as pollinators, waste-disposers, predators, and food source; and how flies continue to reshape our

understanding of evolution. Along the way, he reintroduces us to familiar foes like the fruit fly and mosquito, and gives us the chance to meet their lesser-known cousins like the Petroleum Fly (the only animal in the world that breeds in crude oil) and the Chocolate Midge (the sole pollinator of the Cacao tree). No matter your outlook on our tiny buzzing neighbors, Super Fly will change the way you look at flies forever. Jonathan Balcombe is the author of four books on animal

sentience, including the New York Times bestselling *What A Fish Knows*, which was nominated for the PEN/E.O. Wilson Award for Science Writing. He has worked for years as a researcher and educator with the Humane society to show us the consciousness of other creatures, and here he takes us to the farthest reaches of the animal kingdom. The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send

in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Strange and Terrible Visions of Wilhelm Friess

Gullah Images
The Art of Jonathan Green
Jonathan Green is best known for his vibrant depictions of Gullah culture and life. For decades, his vividly colored paintings and prints have captured and preserved the daily rituals and Gullah traditions of his childhood in the Lowcountry marshes of South Carolina. While Green's art continues to capture the same energy, color, and deep respect for his ancestors, his techniques have evolved to feature bolder brush

strokes and a use of depth and texture, all guided by his maturing artistic vision that is more about experiencing freedom and contentment through his art. This vision is reflected in the 180 new paintings featured in Gullah Spirit. His open and inviting images beckon the world to not only see this vanishing culture but also to embrace its truth and enduring spirit. Angela D. Mack, executive director of the Gibbes Museum of Art in Charleston, South Carolina, provides a

foreword. The book also includes short essays by historian Walter B. Edgar, educator Kim Cliett Long, and curator Kevin Grogan. Dragon God, Inc. THE INSTANT NEW YORK TIMES BESTSELLER. From Kahran and Regis Bethencourt, the dynamite husband and wife duo behind CreativeSoul Photography, comes GLORY, a photography book that shatters the conventional standards of beauty for Black children. Featuring a foreword by Amanda Seales With

stunning images of natural hair and gorgeous, inventive visual storytelling, GLORY puts Black beauty front and center with more than 100 breathtaking photographs and a collection of powerful essays about the children. At its heart, it is a recognition and celebration of the versatility and innate beauty of black hair, and black beauty. The glorious coffee-table book pays homage to the story of our royal past, celebrates the glory of the here and

now, and even dares to forecast the future. It brings to life past, present, and future visions of black culture and showcases the power and beauty of recognizing and celebrating oneself. Beauty as an expression of who you are is power. When we define our own standards of beauty, we take back that power. GLORY encourages children around the world to feel that power and harness it. **Super Fly** Dafina From its modest beginnings in the 1960s in

a Harlem church basement, to its meteoric rise to international fame, the Dance Theatre of Harlem ignited the world with one simple, still-revolutionary statement: All can do ballet. Into the 21st century, as the world, and the country, continue their historical struggles and triumphs, the story of this haven for dancers of all colors and backgrounds resonates more than ever. Here, for the first time, is the definitive portrait of the one-of-a-kind community dance company that

reflected--and shaped--our times, and whose enduring principle continues to inspire the future. With exclusive backstage stories from its legendary dancers and staff, and unprecedented access to its archives, Dance Theatre of Harlem is a striking chronicle of the company's amazing history, its fascinating daily workings, and the visionaries who made its legacy. Here you'll discover how the company's founders--African-American maestro Arthur Mitchell of George

Balanchine's New York City Ballet, and Nordic-American Karel Shook of The Dutch National Ballet--created timeless works that challenged Eurocentric mainstream ballet head-on--and used new techniques to examine ongoing issues of power, beauty, myth, and the ever-changing definition of art itself. Gaining prominence in the 1970s and 80s with a succession of triumphs--including its spectacular season at the Metropolitan Opera House--the company also

gained fans and supporters that included Nelson Mandela, Stevie Wonder, Cicely Tyson, Misty Copeland, Jessye Norman, and six American presidents. Dance Theatre of Harlem details this momentous era as well as the company's difficult years, its impressive recovery as it partnered with new media's most brilliant creators--and, in the wake of its 50th anniversary, amid a global pandemic, its evolution into a worldwide virtual performance space. Alive with stunning

photographs, including many from the legendary Marbeth, this incomparable book is a must-have for any lover of dance, art, culture, or history.

The Freedom Ship of Robert Smalls Skyhorse Publishing Inc.

Several years after the events of Alice's Adventures in Wonderland and Through the Looking Glass, Alice finds herself back in Wonderland and called upon to save the world of playing cards and talking animals from the increasingly deranged

Queen of Hearts. But all is not as it first appears in the fluctuating dream world and soon Alice is battling to save herself from the nightmare that is rapidly overtaking the realm. Have you ever wondered what would have happened if Alice hadn't drunk from the bottle labelled 'Drink Me', or if she hadn't joined the Hatter, the March Hare, and the Dormouse for tea? Well now you can find out. In Alice's Nightmare in Wonderland, YOU decide which route Alice should take, which

perils to risk, and which of Wonderland's strange denizens to fight. But be warned - whether Alice succeeds in her quest or meets a dire end as the nightmare escalates will be down to the choices YOU make. Are you ready to go back down the rabbit-hole? This luxury illustrated cloth-bound Demy hardback is an unnumbered limited edition of just 80 copies, and features ruby-red endpapers front and back, gold stamped foil on white cloth on front, back and spine, saddle-stitched

binding with head and tail bands, and Kev Crossley's sketchbook including sketches that did not appear in the main edition as an additional 23-page illustrated section.

Charleston Renaissance Artist

Harmony
"The John and Vivian Hewitt Collection of African-American Art represents works that celebrate the expression and passion of twenty artists, including Romare Bearden, Margaret Burroughs, Jonathan Green, Jacob Lawrence,

Elizabeth Catlett, Ann Tanksley, and Henry Ossawa Tanner. This book contains all fifty-eight works from the collection, exquisitely reproduced in full color. Grace C. Stanislaus provides a text on the significance of the collection that is supplemented by interviews with Vivian Hewitt, David Taylor of the Gantt Center, art collectors Harmon and Harriett Kelley, and Nancy Washington"--

In *Hashtag Authentic*, social media guru Sara Tasker provides tips, advice, and guidance on how to turn your personal Instagram account into a

profitable creative outlet. Since setting up her Instagram account (@me_and_orla) while on maternity leave in 2013, Sara has become a celebrated influencer and iPhoneographer, and through her calm, atmospheric, and authentic style has garnered legions of followers. Here, Sara presents the lessons she has learned along the way. Sara's nurturing voice and enchanting photography provide guidance on: storytelling, with tips on finding your

own visual style and personal niche; making pictures, including composing for Instagram, finding the best light, and getting the most out of your camera phone; archiving your life, with tips organized by themes like Craft & Making, Family & Pets, and Food & Ingredients; and sharing your world, detailing the keys to Instagram success and beyond. *Hashtag Authentic* is both an inspiring manual and an interactive tool for finding an online voice, growing a tribe, and becoming an

influencer.

Fire Your Boss Viking Press
NEW YORK TIMES
BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's

most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers - including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain,

Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics - a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the

world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall

Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-

minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
