VIZ Media's Dragon Ball contains vols. 1-16 of the original Japanese Dragon Ball, from the beginning of the series to the climax of Goku's last fight with Piccolo.) In the final round of the "Strongest under the Heavens" martial arts competition, it's down to Goku vs. Jackie Chun, the mysterious old man who's as powerful as Kame-Sen'nin himself! Will the audience survive the confrontation? After the smoke clears, Goku jumps on his flying cloud and returns to his quest to find the seven Dragon Balls, but now he's not the only one looking for them. Immerse yourself in the summery French countryside while you recreate Van Gogh's colorful wheat fields with stickers. Van Gogh's *A Wheatfield, with Cypresses* is one of the most famous and popular paintings in London's National Gallery. This activity book allows adults and children to understand how Van Gogh

used colors to create vibrant and luminous scenes. Opening with a brief informative essay, this book contains thousands of colored round stickers and a poster "canvas" of colored outlines - readers simply need to match the stickers to the outlines found on the poster to recreate the painting. It's not necessary to place each sticker on precisely the right outline. As a result, every finished poster will be its own original work of art. With a handy folder-style flap that allows for easy storage and transportation of the artwork in progress, this activity book is perfect for hours of entertainment, relaxation, or meditation, as well as for unwinding at the end of a busy day.
